# Responsible Investment Forum: Tokyo 2022

## Responsible Investment Forum: Tokyo

15 June 2022 | Tokyo & Virtual UTC+9

The third annual **Responsible Investment Forum: Tokyo 2022** will return as an a in-person event in Tokyo. Join APAC LPs, global top fund managers and ESG experts to discuss responsible investment best practices across the alternative asset classes.

Explore the hottest global ESG themes through the lens of Japanese investors and examine how both asset owners and managers can co-create a sustainable investment lifecycle. Understand how to incorporate ESG into your investment decision-making process with global standards.

The Forum is running in Japan standard time(JST/UTC+9) at a premium meeting place in Tokyo.

**Lead the conversations by exploring our bespoke sponsorship experience today**

# Responsible Investment Forum: Tokyo 2022

Wednesday, 15 June 2022

## Responsible Investment Forum: Tokyo

08:30 **Breakfast briefing (by invitation only)**

09:00 **Welcome address from Private Equity International**

09:10 **Opening panel: Responsible investment: Trends, opportunities, and disputes**

- What are the top issues and challenges for GPs as it relates to responsible investment?
- How do GPs strike a balance between financial vs ESG performance?
- What can LPs ask from their GPs to invest more responsibly as it relates to ESG?
- Where to identify new opportunities across asset classes?

09:50 **Keynote: Overcoming climate risks in new regime**

10:15 **Networking break**

11:15 **Panel: ESG specialists: Corporate governance and stewardship**

- What does a good ESG policy include?
- What can LPs do to create positive change and drive GPs to shift towards responsible investing?
- How do LPs combine long / short term strategy with active stewardship? How can GPs report to LPs on their portfolio footprints?

## Roundtables

Led by an expert moderator, the in-person roundtable discussion will create spaces and opportunities for leaders across different alternative classes. You can hop onto discussions around two topics to maximise your learning opportunities in 15 minutes.

12:00 **Roundtable 1:  
ESG risks and opportunities in  
infrastructure and renewables**

**Roundtable 2:  
Responsible investing for real estate  
investors**

12:30 **Networking lunch break**

# Responsible Investment Forum: Tokyo 2022

13:15 Networking group: Women in private markets

13:45 Presentation: A new frontier for diversity, equity, and inclusion

## Roundtables

Led by an expert moderator, the in-person roundtable discussion will create spaces and opportunities across different alternative classes. You can hop onto discussions around two topics to maximise your learning opportunities in 15 minutes.

14:15 **Roundtable 3:** ESG data collection and measurement      **Roundtable 4:** ESG in private equity and private debt

14:45 **LP keynote fireside chat**

15:30 **Afternoon break**

16:00 **Panel: The new face of sustainable infrastructure**

- To what extent is ESG an important value creation driver in infrastructure?
- What are the top issues facing renewables as an investment sector in APAC?
- Is achieving the net-zero carbon target by 2050 a short-term or long-term goal? What are the challenges to this milestone?

16:50 **Closing panel: Spotlight on responsible investing in Japan**

- What are Japanese LP perspectives on ESG and how is this affecting LP-GP dialogue?
- Major priorities when assessing ESG expectations in GPs' portfolios
- How do we address the gap between Japan and global standards?

17:30 **Closing address and followed by networking cocktails**
