The 12th Annual Operating Partners Forum Europe returns to London on 11-12 May. The largest European event focused on best practice in private equity portfolio operations and value creation across all business areas. Our curated agenda is designed to maximise networking opportunities, allowing you to build new important relationships.

Great operating partner attendees, content, and networking. This is a crucial event for monitoring the pulse of European private equity.

Agenda at a glance

[View full agenda ↗](#)

Plenary sessions include:

Developing a world class value creation team and why certain operating teams are so successful

Implementing a value creation plan in an inflationary environment

Best practices in advisor management and how to get the most out of them

Operating partner relationships with the board and how the board should act in a crisis

Practical steps to embedding ESG within value creation

The future of work and what it means for PE backed businesses

Engaging in real digital transformation and building an environment to incubate new digital ventures

Carveouts from a tech perspective with examples of success in PE carveouts

Agenda at a glance

Networking opportunities available across the forum

1

Meet value creation operating partners and expert advisors

Network with industry experts. Benefit from our expansive European community who will be in attendance throughout the forum.

2

Network in-person

Connect with your peers during interactive workshops, networking breaks, an evening drinks reception, roundtable discussions and structured networking between operating partners and advisors.

3

Gain insight direct from your peers

Join the closed-door, operating partner only Think Tank for open discussion with your peers on the toughest challenges you face daily and discover best practices in dealing with them. Plus join the invitation only working group sessions for small group discussion on key issues affecting your role.
