Seoul Forum

Japan Korea Week 2022

Japan Korea Week consists of two forums. The event will kick off with the **Tokyo Forum on 14 June**. Join to network with Japan's most active institutional investors. The **Seoul Forum will close the event on 16 June**. This is the premier event for securing capital allocations from Korean investors.

All the sessions were very helpful to understand how the investment circumstances and the investors' attitudes toward investment activities have changed due to COVID, digitalization, COP26, etc.
