# Keynote Interview

## Digital Marketing & Social Media: A Q&A Session on Evolving Business Communication

Lucy Hall has a simple goal: to make the digital world understandable and accessible for everyone. She founded Digital Women and SocialDay, nurturing a community that now exceeds 100,000 members, all focused on digital learning and personal growth. She has trained numerous SMEs and startups, and offered her expertise to larger pension and insurance firms. Lucy's efforts have earned her the Women in Tech - Role Model of The Year title.
