Investor Relations Marketing & Communications Forum: Europe London 2022

5-6 October | Grand Connaught Rooms, London

**Driving the evolution of Europe's
private market fundraising and
communication community**

PEI

The Investor Relations, Marketing & Communications Forum: Europe is the must-attend summit for sales and fundraising professionals in private markets.

With over 80 speakers from leading institutions, there will be 2 days of unmissable content in London providing you with exclusive insights and best practice tips. Benefit from countless opportunities to network with your peers and benchmark against competitors across the private equity, private debt, real estate and infrastructure asset classes.

Testimonial from the Investor Relations New York event:

I have attended a lot of conferences in my career and this was by far the best conference I have ever attended. Practically every panel left me wanting even more information.

Michelle Ball
Marketing Manager
HKW

Agenda highlights:

The evolution of investor relations

The evolving investor relations role in private markets

- » How is the investor relations role evolving and becoming more multi-faceted?
- » Fundraising, product development, business intelligence, client service – which areas are the most fundamental at present for IR leaders?
- » How will the increase in remote working and virtual meetings have a long-lasting impact on investor relations professionals?

Featuring representatives from Centerbridge Partners, Crestline Investors, Blue Owl Capital and Hollyport Capital

[VIEW THE FULL AGENDA](#)

Regional vs global approach

- » Has the pandemic forced a re-think when it comes to accessing investors in different regions?
- » The case for and against using placement agents with regional expertise
- » Tailoring your approach when considering cultures, laws and regulations

Featuring representatives from Pantheon Ventures, Santander Asset Management, Alantra, Ancala Partners and DN Capital

Agenda highlights:

Impact and ESG integration

IR, Comms & the ESG conundrum

- » Real-time reporting frameworks - how will IR teams manage increasingly sophisticated client requests and expectations?
- » Ensuring you steer clear of greenwashing in the business development, marketing and fundraising processes
- » Engagement within the portfolio to ensure ESG targets are met
- » Impact of margin ratchets, credit lines and other ESG-related innovations in private markets

Featuring representatives from Beechbrook Capital, Beringea, Arcus Infrastructure Partners and Verdane

[VIEW THE FULL AGENDA](#)

Investor appetite and sentiment for impact investment in private markets

- » What constitutes impact investment and what does not?
- » What type of investors are prioritising a developed and sophisticated impact investment approach?
- » Best practice for maintaining optimal client service along the impact investment fund lifecycle
- » Responding to typical investor queries

Featuring representatives from Blue Earth Capital and SAIL Ventures

Agenda highlights:

Marketing and communications

Institutional campaigns in the digital era

- » Marketing private funds globally, efficiently and compliantly
- » The post-Covid review - how did funds embrace virtual events (internal and external) and what is their relationship with events now?
- » Embracing new digital tools and capabilities to enhance your campaigns

Featuring representatives from 17 Capital and PineBridge Investments

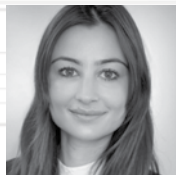

[VIEW THE FULL AGENDA](#)

Communication & interaction - maintaining integrity and consistency across your marketing messaging

- » Maintaining consistency across marketing collateral for different asset classes and markets
- » How to strengthen your brand and reputation with integrity through what you say as a business
- » Utilising video technology to enhance your story and captivate your audience
- » The importance of developing your team and speakers to ensure consistency across internal and external communications

Featuring representatives from Carlyle, IK Partners and Advent International
