# Agenda highlights

## Invitation-only Think Tank for Operating Partners

This closed-door session is an opportunity to share first-hand accounts on how to best position yourself in your career as an operating partner.

## Best practices in advisor management

How to find the right advisors and get the most out of them and which relationships and governance structures work.

## Boardroom case study: reacting to a crisis

This unique and interactive session will consider how a board should deal with a PR crisis. The audience will be given the chance to comment on key decisions made by the board.

## Practical steps to using ESG within value creation

Getting beyond the talk and considering how best to incorporate ESG specialists and thinking within value creation plans.

## Operating partners compensation & career satisfaction

Presentation of the results of an anonymous survey on how operating partners are remunerated, whether they have carry, general career satisfaction and more.

## Developing a world class value creation team

Comparing different operating models and what works and how to measure the success of an operating team.

## Structured networking

This unique session will provide participants with 4 short meetings with other attendees. There will be a 1 to 1 ratio of operating partners and service providers and participants will be matched with individuals with similar areas of interest.

# The in-person networking experience

## More exclusive operating partners sessions

Network with leading operating partners in the industry. The annual operating partners think tank will be back, in addition to value creation working groups, and an operating partners only drinks reception.

## Connect in-person once again in London

Connect with your peers during interactive workshops, networking breaks, an evening drinks reception, roundtable discussions and structured networking between operating partners and advisors.

## Build new connections

Our past attendees included Advent International, BC Partners, Carlyle Group, Capital Partners, CDPO, CVC Hg, InvestCorp, KKR Capstone, PAI Partners, Partners Group, Pemira, Pollen Street Capital, and many more.
