Learn where North American investors are looking for opportunities

By joining the Forum, you can:

Expand your network

Build closer relationships with North American investors through dedicated networking opportunities.

Fundraise efficiently

Understand North America's investor needs and align your investment strategies with their allocation appetite.

Showcase your expertise

Introduce yourself to North America's most active outbound investors and global fund managers all in one room.

Stay ahead

Learn where investors are planning to allocate capital over the coming 12 months.

The forum was a great chance to connect with industry peers and share our collective thoughts on the fundamental changes taking place in how we use and invest in real estate.
