Join leading West Coast operating partners

The two-day event will feature **insightful discussions on value creation's most important areas:** human capital, finance, revenue growth, supply chain & procurement plus a dedicated full day for technology at the Operating Partners Technology Forum.

[View full agenda ➔](#)

Agenda highlights:

The future of value creation: how to perform in an environment of increased interest rates and inflation

Digital innovation initiatives in the fast lane: accelerating value creation through tech

The archetype of a world class operating team: PE and VC share best practices

Rapid acceleration value creation plans for the mid-market

The war for talent and the Great Resignation: operating partners share war stories

Hear from **value creation leaders**
