Value Creation Forum: Asia

29 November 2022 | Singapore

Driving operational excellence across Asian private equity

With a looming global recession, the 4th annual **Value Creation Forum** showcases thought leadership, and prominent examples of how to maintain a resilient portfolio in the face of economic downturn. Hear from the Operating Partners of the world's biggest PE funds and find out their secret for surviving and thriving in uncertainty.

Open to value creation experts and without any charge. The forum will bring together value creation enthusiasts from your local city to promote strategic sharing and insight around focused topics.
