Connect and learn from Australia's top Superannuation firms. Shape the future of the asset class.

EXPLORE THE EVENT ↻

Session not to be missed

Investing in the infrastructure of the future

- How far has the pandemic accelerated fund managers and investors investments in new technologies? How has this impacted on strategies such as decarbonisation?
- Technology risk and disruption - what do investors need to be aware of?
- The rise and rise of digital infrastructure - understanding the emergence of new technological innovation such as in edge computing
