Networking

Gain access to a global community

As the flagship private debt event in Europe, the summit will attract investors and funds from across the world. Make sure you're there to meet with leading global figures.

Meet in person, in London

Following last year's return to live events, we're once again back in London to make the most of in-person networking.

Supported by a digital event app, you'll be able to arrange meetings and build relationships face to face.

More institutional and private investors than ever

Meet private and public pension funds, insurance firms, and a growing number of family offices and other private investors that are allocating towards private debt strategies in Europe.
