

PEI

Global Sponsorship Opportunities within ESG

Across Sustainability, Diversity & Inclusion,
ESG, Impact Investing, and Natural Capital

Raise your profile and connect with global investors focused on the future of the global market

Connect with industry participants **across Private Equity, Infrastructure, Private Debt, and Real Estate** to discuss the latest ESG issues.

Position your brand at our industry leading events focused in **Asia-Pacific, Europe, and North America**. Host workshops, networking sessions and roundtables to **build lasting relationships and meet your business goals** with senior ESG professionals.

“The Responsible Investment Forum convenes a true community of sustainability practitioners in private markets whose insights on the current state and future trajectory of ESG help participants get ahead of the trends”.

Eric Bloom
COO & Head of Client Solutions, **Re:Co**

Our sponsorship packages are a great way to:

Enhance your networking reach at the event

Receive early access to the attendee list before and post-event and arrange those all-important meetings.

Position your company as a thought leader

Strengthen your company's expertise and be heard by a global audience of investors and industry professionals through targeted speaker opportunities.

Increase your brand visibility to your target audience

Embed your brand within the industry as a lead player by being positioned at the center of marketing activities.

Impact Investor Summit

North America 2023

31 October – 1 November 2023 | New York

The next generation of sustainable investment

The leading conference to learn how investors are engaging in the transition to an environmentally sustainable and socially equitable world, alongside making a return.

Join over 500 attendees from leading fund managers and institutional investors across the US and Canada for two days of networking at the must-attend event for impact investment professionals.

The event also provides a best-practices platform for practitioners in impact management, measurement, and reporting.

The event connects:

100+
investors

10+
countries

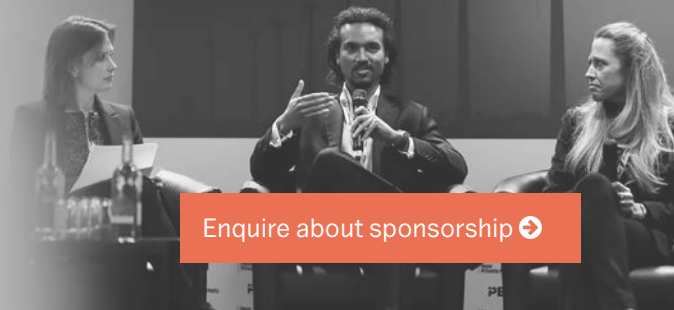

300+
attendees

The event gathered some of the top names in impact investing and covered key topics to promote the understanding and growth of this market. The organization and execution was impeccable.
