Connect with a community of leading Institutional Investors

RI conferences provide the opportunity to learn from leading players in sustainable finance, gain insights, and debate opportunities and challenges in ESG.

As a sponsor, you will connect with decision-makers to share best practices and industry knowledge. Engage with senior institutional investors to gain exposure to new firms and meet your business goals.

Our sponsorship packages are a great way to

Increase your brand visibility to your target audience

- » Brand logo and profile on the conference website and the app
- » Marketing and social media coverage
- » Onsite branding through signage and exhibition

Enhance your networking at the event

- » Meeting and hospitality spaces within the event venue
- » Networking opportunities refreshment breaks, breakfast and lunch
- » Early access to the attendee list

Position your organisation as a thought leader

- » Participate in thought leadership sessions
- » Utilize your knowledge from the event to help clients throughout the year

In this new hybrid world, we still need the in-person piece. RI Europe hosts insightful discussions, drawing on the wisdom of attendees and not just the speakers. We all have so much to do to keep on learning about societal and financial risk management.
