Day one

Tuesday 3 December

08:55 Opening remarks

Gina Gambetta, Senior Reporter, **Responsible Investor**

09:00 Plenary 1: Transition finance in the US: Driving change through investment

- How are US investors approaching high-emitting sectors and corporates?
- Will transition finance be the main source of alpha in the US energy transition?
- Do US investors want dedicated transition finance regulation and/or instruments?
- Is there a tension between financing the transition and meeting net zero targets?

Moderator: **Andrew Howell**, Senior Director, Sustainable Finance, **Environmental Defense Fund (EDF)**

Curtis D. Ravenel, Senior Advisor to the Co-Chair & Vice Chair, **GFANZ**

Candice Coppere, Head of Climate and Nature Solutions, Product, **ISS STOXX**

Tara Mei Smith, ESG Integration Officer, **NYC Office of the Comptroller**

Andrew Siwo, Head of Sustainable Investments and Climate Solutions, **New York State Common Retirement Fund**

09:50 Plenary 2: Manager selection in the US

- How has the politicisation of ESG impacted manager selection?
- Is stewardship being priced into manager selection or neglected in search of lower fees?
- Is manager selection being utilised enough to drive asset owner priorities through managers?
- Are consultants doing enough to drive asset owner priorities through manager selection?
- Given the US context, will climate-focused/net zero investors drift to European-headquartered managers?

Moderator: **Dominic Webb**, Senior Reporter, **Responsible Investor**

Matthew Illian, Director, **United Church Funds**

Rajith Sebastian, Head of ESG and Sustainable Investing, **New York State Insurance Fund (NYSIF)**

Sarika Goel, Global Head Sustainable Investment Research, **Mercer**

10:40 Networking break

11:10 Keynote - Eye of the storm: former SEC policy director reflects on three years at US regulator

Heather Slavkin Corzo, Principal, **Mindset**

Moderator: Gina Gambetta, Senior Reporter, **Responsible Investor**

11:30 Plenary 3: ESG regulation: The US, EU and beyond

- How are US investors navigating the SFDR and what do they want out of the regulatory reform?
- US anti-greenwashing efforts: what's next for SEC climate-related disclosures and name rules?
- Expectations on financial institutions from CSRD and SEC climate rule
- Compliance vs action – how are investors balancing mandatory and voluntary disclosure needs with investment/stewardship activities?

Moderator: Steven Rothstein, Managing Director, Accelerator, **Ceres**

Sandra Silea, Director, ESG & Stewardship, **AustralianSuper**

Elizabeth Seeger, Board Member, ISSB, **IFRS Foundation**

Sireen Hajj, Director, Investor Outreach, **US SIF**

12:15 Plenary 4: Nature investment in North America: Risks and opportunities

- Nature as a systemic risk: how are investors approaching the challenge?
- Measuring biodiversity and nature risk across portfolios: methodologies, tools and barriers
- Public vs private markets: where are the nature investment opportunities?
- Are US corporates doing enough, and disclosing enough, on nature?

Moderator: Gina Gambetta, Senior Reporter, **Responsible Investor**

Lauren Compere, Managing Director, Head of Stewardship & Engagement, **Boston Common Asset Management**

Felipe Carazo, Head of Alliance Management, Tropical Forest Alliance, **World Economic Forum**

Daan Van Acker, Director, **InfluenceMap**

---	---

10:25 Networking break

10:55 Plenary 5: Investing for sustainable outcomes

- Defining a ‘sustainable outcome’ or proving real-world sustainability impact in 2024: what methods and frameworks are investors using?
- Net-zero commitments and interim climate investing goals: are investors on track to meet them?
- The US renewable energy market is continuing to boom – the IRA has been referred to as the US green taxonomy: to what extent is this translating to opportunities for sustainability focussed investors in public markets?

Moderator: **Steven Rothstein**, Managing Director, Accelerator, **Ceres**

Sarah Bernstein, Head of Sustainability, **Meketa Investment Group**

Wendy Cromwell, Head of Sustainable Investment, **Wellington Management**

Lila Preston, Head of Growth Equity, **Generation Investment Management**

11:35 Plenary 6: The state of corporate reporting in the US

- How are US corporates currently approaching sustainability reporting?
- Does corporate reporting in the US meet the needs of investors?
- Will ISSB become the de facto standard for corporate sustainability reporting in the US?
- What assurance are investors asking for on non-financial corporate disclosures?

Neil Stewart, Director of Corporate Outreach, **ISSB/IFRS Foundation**

Meagen Stack, Manager, ESG Reporting, **Chevron**

Aisha Magstani, Senior Portfolio Manager, Sustainable Investment & Stewardship Strategies, **CALSTRS**

Caitlin McSherry, Head of Investment Stewardship, **Neuberger Berman**

12:15 Lunch

13:05 Keynote

13:25 **Plenary 7: After Exxon: The future of shareholder proposals**

- What are the implications for shareholder rights in the US of the Exxon lawsuit?
- Will the file-first mentality of shareholders shift towards a more engagement/dialogue-focused approach?
- Will other companies follow Exxon's lead?
- How can shareholder proposals be used most effectively in a sustainability context?

Moderator: **Gina Gambetta**, Senior Reporter, **Responsible Investor**

Sanford Lewis, Director, **Shareholder Rights Group**

Danielle Fugere, President & Chief Counsel, **As You Sow**

Heidi Welsh, Executive Director, **Sustainable Investments Institute (Si2)**

14:10 **Plenary 8: Fiduciary duty in 2024: Operating effectively within a polarized environment**

- Beyond the politics: What does fiduciary duty look like for a universal owner in 2024?
- Which issues are necessary for a fiduciary to consider? Are some like AMR being overlooked?
- How can a universal owner mitigate systemic risks to portfolios?
- To what extent can sustainability preferences – and outcomes – be factored into fiduciary duty?

Moderator: **Dominic Webb**, Senior Reporter, **Responsible Investor**

Fran Seegull, President, **U.S. Impact Investing Alliance**

15:00 End of conference
