Global Summit

18 - 21 March | Berlin

Private capital at a
global scale: **investing
in the infrastructure
of the future**

PEI

The Infrastructure Investor Network invites you to join the industry-leading Global Summit to **shape the future** of the asset class.

3000+ attendees

600+ investors

350+ industry leading speakers

We always enjoy the learning, networking, and business development opportunities that the Global Summit provides, and look forward to another successful event in 2024.

Gwenola Chambon
Vauban Infrastructure Partners

The Summit provided us with a unique platform to connect with our global partners in an intimate and informative setting.

Marc Ganzi
DigitalBridge

Unlimited networking opportunities

infrastructureinvestor.com/iigs

Why you need to be there

1

Build your network with 3000+ active infrastructure leaders from across the globe. The Summit provides the perfect platform to take part in intensive networking with key industry players. Save travel time and get your 2024 business done in just 4 days.

2

Discover new opportunities and gain exclusive insights from our expert speaker line-up and keynote faculty. Stay up to date with unlisted industry trends and find out how to refine your investment strategy.

3

Secure capital for your next project from world leading institutional and private investors who are actively allocating to infrastructure, including **Abu Dhabi Investment Authority, AwareSuper, CDPO, CPP Investment Board, Embassy of Spain, EBRD, Japan Post Insurance, MunichRe, New York Life Insurance Co., SwissRe** and many more.

Gain fresh perspectives from our keynote line-up

Mie Caroline Holstad

Chief Real Assets Officer
Norges Bank Investment
Management

Find out how NBIM (the Norwegian state's influential sovereign fund) have **built up their infrastructure portfolio, implemented an ESG governance framework** and **explore insight into future target investments** in this investor keynote speech.

Peter Frankopan

Professor of Global History
Oxford University

Join Peter as we dive into his book **The Earth Transformed: An Untold History**, detailing how climate change has dramatically shaped the development - and demise - of civilizations across time.

Zanny Minton Beddoes

Editor-in Chief
The Economist

Uncover the interplay of **democracy, demography, technology, energy and government policies** as the ultimate drivers of economic change.

The **biggest and best Summit** yet

Delve into hot topics of the asset class with our brand new streams under the Global Investor Forum. Gain deeper insights to stay ahead of your peers and refine your investment portfolio.

Assets in Focus

- Re-thinking energy asset exposure in a complex transition era
- Investor roles & responsibility in shaping social infrastructure
- Transforming traditional transportation into future-proof assets

Future of Infrastructure

- How infrastructure must improve its DE&I efforts
- New living: how infrastructure must support an evolving society
- AI & technological development - bringing in a new era of infrastructure?

Take part in unparalleled out-of-hours networking opportunities, to further those connections.

Drinks receptions including the Women in Infrastructure drinks and our signature Members' Welcome Drinks Reception. These events offer the perfect opportunity to build new relationships with like-minded professionals and sharpen existing connections in a relaxed setting.

Charity run, walk and eSports Tournament

Take part in a our charity morning networking run and networking walk, a fresh way to meet new faces. Plus, participate in our Mario Kart competition with your colleagues, where proceeds will go to charity.

Brand new Networking Lounge offering you even more opportunities to connect with the right people. The lounge will be optimised for meeting investors and holding intimate discussions, allowing you to expand your network further.

Infrastructure Investor Network Party

Continue networking late into the night with our first ever party, taking place in the BRICKS Club next to the Hilton from 9pm on day two. With complimentary access for all Global Summit attendees, don't miss out on cocktails, a live-DJ set and much more.
