Women in Private Markets Summit North America 2023

20 - 21 June | New York

Women in Private Markets Summit: North America

20-21 June 2023 | New York

Showcasing diverse talent across private markets

CONFIRMED LEAD SPONSOR

AlixPartners

The worlds' leading diversity event focused on alternatives; the Women in Private Markets Summit is coming to North America in 2023. Join over 500 attendees from across private markets for an unrivalled networking opportunity.

The inaugural **Women in Private Markets Summit: North America** will feature co-located Women in Private Equity, Women in Infrastructure, Women in Real Estate and Women in Private Debt Forums.

All registered attendees will have access to the four forums, allowing you to build your network across alternative asset classes.

"No other event has the energy and insights that this one does. It is a terrific opportunity to spend time with the brightest women in the business, to connect with people you have only seen on a Zoom, and to make new friends and clients"

Laurie Mahon (CIBC Capital Markets)

"Excited to be a part of the inaugural North American Women in Private Markets Summit to connect, network, and learn from experts in the industry"

Leslie Vargas (Resolution Life US)

"Inclusive conversations that set the stage for tomorrow's opportunities today"

Kemi-Christina Abdul (BlueHaven)

Keynote Investor Interview: why a leading investor is committed to private markets

9:25

Asset allocations to private markets in a more challenging environment

- To what extent has the slump in equities led investors to sell off holdings in private markets?
- Does appetite for co-investment remain high?
- How can managers differentiate themselves in a crowded field?
- Have investors turned down funds due to lack of diversity? What pressure are they putting on?

Leslie Vargas, CFA, Portfolio Manager, **Resolution Life US**

Ming Yan, Managing Director, **Cambridge Associates**

10:05

How are industry leaders addressing diversity in their institutions?

- Is the industry doing enough to drive change?
- Are investors' demands on diversity increasing?
- Case studies of innovative recruiting to ensure diverse candidate pools
- Tips for success in your career in private markets

John Anderson, Global Head of Corporate Finance and Infrastructure, **Manulife**

Women in Private Markets Summit North America 2023

20 - 21 June | New York

11:30

State of private markets: where are we now?

- How are managers changing strategies to deal with inflation and increasing interest rates?
- To what extent is the democratization of private markets a positive and current trend?
- What does the rise of sustainability mean for investment strategy in practice?
- Fundraising and dealmaking predictions for the next 18 months
- How will private markets emerge from this financial crisis?

Jackie Rantanen, Head of Product Solutions – Co-Head of Impact Investments, **Hamilton Lane**

Patricia Miller Zollar, Managing Director, Private Equity, **Neuberger Berman**

12:10

How there is increased pressure on ESG from all angles in North America

- Investor commitments and tighter scrutiny on ESG
- How the regulatory agenda is pivoting to enforcement practices
- To what extent are lenders challenging borrowers on ESG risk management due to commitments and regulatory obligations?
- The danger of losing the license to operate
- How big a threat is the anti-ESG backlash to progress in US businesses more generally?

Tanya Carmichael, Advisor, **Independent**
