11:30 – 12:15

Resumption of investor council: focused roundtables facilitated by experts

- Protecting your portfolio against inflation, high interest rates and geopolitical instability
- Battery storage, hydrogen and more: how investors can access the forefront of the energy transition and drive net-zero ambitions
- Selecting smart strategies for your institution: discussing core, value-add, debt, secondaries and more
- Best practice for essential portfolio monitoring and enhancement techniques

12:15 - 13:00

Investor Council: Investment Committee

Two hand-picked fund managers will present investment case studies in this exclusive, data-driven and interactive format. Hosted by two experts, you'll have the chance to ask questions, share your thoughts and vote on the transactions in our very own investment committee.

Co-moderated by:

Patricia Rodrigues, Member of Investment Committee, **GLIL Infrastructure**

Mark Weisdorf, Chair of the Investment Committee, **IST3 IG**

13:00

Investor Council Networking lunch

The investor council will come to a close, but not after the chance to enjoy a networking lunch with your fellow private and institutional investor peers.
