As someone who is building out the talent function within my firm currently, I found valuable insights from the speakers and attendees. Being in a role that is fairly new to the private equity world makes events like this exceptionally helpful as we learn and grow the talent function together as a community.

Kelie Morgan

Director of Talent Acquisition

Permanent Equity

Add your firm to our growing list of attendees, including:

Key themes and topics

[View full agenda ↗](#)

The agenda allows you to craft your own experience and attend the sessions that matter most to you

The big picture

How human capital value creation plays a role in deal mechanics, culture in modern organizations, talent acquisition, and more.

Specialized breakout sessions

Unpack crucial elements of value creation in these curated sessions, covering topics such as 100-day human capital action plans, developing high-potential talent in your organizations, and more.

Operating partner only think tanks

Sessions designed for interactivity between value creators to learn and share best practices. Submit your own topics for discussion during these closed-door roundtables.

Hear from value creation leaders

Networking opportunities

[Learn more](#) ➔

The agenda is designed with relationships in mind

Build meaningful connections

Connect with peers over craft cocktails and gourmet fare while taking in river-to-river views of New York City.

Grow your network of human capital pioneers at the multiple networking breaks and receptions.

Share your expertise

Roll up your sleeves and solve real problems in closed-door think tanks and interactive working groups.

Uncover winning strategies from others and apply them to your own portfolio companies.

Elevate women in PE

Join a growing community of women in private equity portfolio operations.

Network with other female leaders at two exclusive events.

Event tickets

1 ticket	\$2,395	Bring your entire value creation team for significant savings
2 tickets	\$3,830	
5 tickets	\$5,390	
10 tickets	\$7,185
