

**Private Debt  
Investor**

# **Europe Summit**

## **London 2023**

9 - 11 May 2023 | Hilton Tower Bridge, London

# **The next phase for private credit markets**

**PEI**

# Event Overview

---

Now in it's 10th year, the **PDI Europe Summit** is the leading conference to uncover the latest trends impacting Europe's burgeoning private debt market.

With the amount of sophisticated asset allocators turning to private credit strategies continuing to grow, the summit provides the platform to hear about the latest trends, innovations, and solutions to be explored.

The summit will examine prominent issues concerning **ESG integration into debt capital markets, opportunities for investment and strategies for investors to achieve growth in an uncertain environment.**

Valuable industry insights

## The changing face of real estate, infrastructure & real assets

- How are investors approaching the blurring divide between real estate and infrastructure? As the asset classes converge?
- How are emerging niche asset types changing how investors view the sector?
- Is the macro environment pushing investors to diversify their allocation into private infrastructure and real estate credit which has a lower correlation and different cycle?
- What do investors expect from the different asset classes?

## How emerging players can try to compete

- Process for selecting private fund managers
- How to stand out in a crowded mid-market
- Is there still a bifurcated market for emerging managers today?

## New strategies emerging among fund managers

- Emerging investment strategies across the direct lending capital structure
- Key factors shaping investment due diligence
- Key drivers behind investor appetite in 2023

## Why real assets are becoming more important to institutional investors

- Identifying investment opportunities in real asset debt.
- What relative value does the private real estate debt market offer compared with other areas of corporate credit investing?
- How are managers navigating regulatory frameworks and pressures?

# Meet private debt's most active investors
