**The next phase for
private credit markets**

PEI

Event Overview

Now in it's 10th year, the **PDI Europe Summit** is the leading conference to uncover the latest trends impacting Europe's burgeoning private debt market.

With the amount of sophisticated asset allocators turning to private credit strategies continuing to grow, the summit provides the platform to hear about the latest trends, innovations, and solutions to be explored.

The summit will bring together the best and brightest investors to examine prominent issues concerning ESG integration into debt capital markets, opportunities for investment and strategies on how to achieve growth in an uncertain environment.
