# Agenda at a glance

[View full agenda ↗](#)

Tailor your own experience by attending the sessions that matter most to you

## A broad view:

Understand the big picture of value creation at a critical time in the economic cycle, in panels led by key industry players.

## Exclusive roundtables:

Learn and share value creation success stories in collaborative think tanks limited to operating partners only. Submit your own topics for discussion to further personalise your experience.

## Targeted deep-dives:

Delve into niche aspects of value creation in interactive workshops with designated facilitators. Discuss revenue growth during a downturn, human capital through the investment life cycle, long-term digital strategy, and more.

Attend exclusive sessions designed to inspire connectivity

## Foster connections

Connect with peers and unpack lessons learned at the Forum in a series of designated networking breaks, evening receptions, and mealtime roundtable discussions.

## Influence value creation

Refine your value creation plans based on other firms' strategies by engaging in collaborative discussions with operating partners from top PE and VC firms.

## Elevate women in PE

Join a growing community of women in private equity portfolio operations in a closed-door discussion. Participants will also get the opportunity to share discussion highlights with the entire Forum.
