

The background of the slide features a silhouette of a group of business professionals standing on a rooftop or high-rise floor, overlooking a city skyline at sunset. The sun is low on the horizon, creating a warm, orange glow that silhouettes the people and the city buildings. The people are dressed in business attire, and some are holding documents or briefcases. The overall mood is professional and collaborative.

# Private Funds CFO Network

## Private Funds CFO Network Partnerships

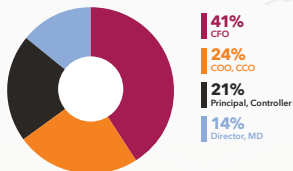

Connect and engage with private markets CFOs, COOs, and CCOs.

**PEI**
