Introduction

The 2022 PERE America Summit greeted 200+ attendees, including CPP Investments, Harrison Street, MassMutual, Norges Bank, North Carolina State Treasury and more.

Over the 2 days, attendees engaged in conversations around the macroeconomic environment, investment strategies, ESG and sector-specific discussions, covering domestic and international challenges and opportunities facing investors today.

The PERE team and myself would like to extend our sincere thanks to the sponsors, speakers and attendees for being part of the thought-provoking conversations at PERE America this year, contributing to its great success.

Next year's PERE America Forum will take place on 15-16 November 2023 in New York City. We hope to see you there!

For attendance information about the America Forum, or one of our other conferences in 2023 in Singapore, London, Seoul or Tokyo, please contact peremembership@peigroup.com.
