Roundtable discussions are **30-minute interactive, peer-driven conversations**, facilitated by two industry experts, on various topics facing the GP finance and operations communities. Throughout the day, attendees will rotate to different tables to ensure they participate in each roundtable discussion.

## Roundtable 1 | Tackling cyber risks in private markets

- Remaining proactive as new risks and attack methods arise
  - What are actionable steps firms can take?
  - Tailoring training programs and policies to be in line with current threats
- Portfolio company prominence: top concerns regarding the level of transparency and lack of visibility between GPs and their investments
- Insurance inquires
  - Types of cyber insurance and coverage plans to best protect firms
  - What should firms spend on acquiring an acceptable level of cyber insurance?

## Roundtable 2 | Adhering to an intense compliance landscape

- Undertaking current regulatory priorities
  - New Private Funds Rules
  - How are firms updating their reporting cycles?
  - Off-channel communication obstacles: how are firms approaching this?
- A culture of compliance: building a proper compliance program to match your firm criteria (i.e., AUM, strategy and years of operation)
  - Is the multititle (CFO/CCO) professional here to stay?
- Utilizing outside counsel and other types of providers to support the uptick in regulatory work

## Roundtable 3 | How are innovative technologies shaping the industry?

- Adopting AI
  - Is there enough of a roadmap for successful implementation?
  - What is artificial intelligence currently being used for in the back/middle offices?
- Buy-in beliefs: showcasing the value and need for modern tools to across the firm

## Roundtable 4 | Understanding next generation talent as the workforce evolves

- Aligning expectations between senior and junior staff
- Adjusting to culture changes when employing younger people
- Coping with skills gaps between various generations and teams
  - Identifying must have skills in junior talent

- Ensuring you have successful processes and appropriate measures in place before introducing new or advanced tools (i.e., data collection, information sharing, internal procedures, and exhausting your existing tools)
- Challenges with embracing and sourcing integrated or multi-purpose solutions
  - Ensuring that your programs and applications enhance one another
- Ongoing challenges with hybrid/remote working models as newer generations have greater presence
- Succession planning: how is leadership ensuring that their firms are going to be left in the best hands?

## Roundtable 5 | Reshaping data management and reporting practices

- Determining the best methods for storage and reporting for the firm
- Ensuring data is viable in order to obtain reliable information
- Ongoing efforts to collect data for more detailed levels of reporting (i.e., ESG KPIs and key metrics from individual portfolio companies)
- Template temptation
  - Are reporting templates helpful to GPs?
  - With ongoing regulatory concerns, will they need to be revised?

## Roundtable 6 | Unmasking the intricacies of carried interest

- Broaching regulatory and tax concerns?
- Setting up a fair and equitable carry program (fund level or deal by deal)
  - Finding the best allocation methods (i.e., American vs. European waterfall)
  - Determining eligibility for employee participation
  - Breaking down various vesting structures
- Utilizing waivers across ownership pools
- Communicating carried interest to employees
  - Is carried interest a necessary compensation incentive for younger talent?

## Roundtable 7 | Readyng your firm for fundraising

- Adapting to a newer fundraising timeline
  - What resources need to be applied?

## Roundtable 8 | How are CFOs handling valuations in today's market?

- Managing external factors that influence valuations (SEC, LPs, auditors, etc.)

For registration queries:  
**Customer Services**  
[customerservice@pei.group](mailto:customerservice@pei.group)

## Track A | Determining attainable approaches to scaling firms

- Exploring the CFO's role in firm-wide growth
- The importance for team-wide collaboration and sharing as firms expand
- Leveraging in-house data as a tool for expansion
- Considerations for growth based on various parameters (number of funds, AUM, strategies, industries, etc.)
  - Approaches to structuring teams for expansion
- Building the best technology stack to carry firms forward

## Track B | Fortifying relationships with LPs post-fundraise

- The increase of LP communication for finance and operations teams
  - How are teams responding to evolving requests and needs of their investors while simultaneously attending to other tasks?
  - Conveying ongoing fiduciary responsibilities to your investors (i.e., reporting and due diligence) from the back/middle office
  - What are firms doing to increase levels of touchpoints (formally and informally)?
- Developing more formalized approaches and tactics to working with investors across the firm
  - Using services/programs like aggregation services to assist firms with maintaining existing relationships

4:05-4:20      Networking break

4:20-5:05

## Think Tanks

Designed to facilitate candid discussions, these closed-door sessions target the issues and challenges impacting firms. Attendees can benchmark ideas and share best practices to help you gain solutions for common concerns facing your office.

Think tank A (GP only) | Examining approaches to outsourcing

Think Tank B (GP only) | Managing your management company

For program information:  
**Nikki Gale**  
[nikki.g@pei.group](mailto:nikki.g@pei.group)

For sponsorship opportunities:
