# Enhance knowledge, expand network

## **Gain Actionable Insights**

Join us and dive into key themes shaping North American infrastructure: exploring how resilient the asset class is in the high inflation and interest rates era, discuss post-IIJA P3 prospects, delve into ESG dynamics, and explore sub-sectors, like digital and energy transition, transportation and debt.

## **Uncover high-yield opportunities**

Discuss the current state of the North American infrastructure market with leading investment practitioners from around the world. Develop new investment strategies to identify high-yield assets across the region.

## **Save time building your network**

Create and nurture relationships before, after and during the event with infrastructure's elite by setting up meetings ahead of the event on our membership platform.
