

# **Agenda**

# Day 1 - Wednesday, June 7, 2023

7:30 AM Registration and breakfast

7:45 AM Think tanks for full-time operating partners – career paths, compensation, carry, and incentives (for operating partners only)

Join our closed-door think tanks solely for PE and VC operating partners for an inside and exclusive look into career paths and the evolution of compensation plans for operating partners. Explore and engage in discussions with the best in the industry and find your answers to key questions such as:

- Do you get carry? What other incentive comp levers are operating partners seeing?
- How have comp plans changed throughout the years?
- How do you best position yourself internally in your career at your firms?
- How do you best position yourself in your career in working with portfolio companies?

# Think Tank Room 1 Advanced Operating Partners – career paths, compensation, carry, and incentives

**Facilitators:** 

**Brian Barnum,** Operating Partner, Head of Private Equity Value Creation Team, Shamrock Capital **Kyle Roemer,** Managing Director, Head of Catalyst Group, Incline Equity Partners

Think Tank Room 2 Emerging Operating Partners (1-2 years in PE/VC) – career paths, compensation, carry, and incentives

**Facilitator:** 

Martin Mumford, Operating Partner, Angeles Equity Partners

8:40 AM PEI's welcome and chairman's opening remarks

**Chairman:** 

Tim Sanders, Vice President of Client Strategy, Upwork

# 9:00 AM Making the most of disruption in a downturn: operating partner and CEO value preservation playbooks

 Best practices for working with investors to effectively manage and perpetuate your business through the investment while strengthening your relationship with investors

- Innovative approaches for working with portco leadership to maximize value creation and returns
- Case examples when recently acquired, in mid-investment period, and during the exit
- Understanding how CEOs operate and address the rapidly changing world with agility

Burak Kiral, Partner and Managing Director, AlixPartners

### **Panelists:**

Michael Crest, Operating Executive, True Wind Capital Paul Gille, Operating Partner, TELEO Capital Amar Maletira, CEO, Rackspace Technology Lauren McLeod, Operating Partner, Onex Partners

### 9:40 AM The evolution of value creation and the operating partner model

- How are operating partner models evolving in PE and at your firm? How is the operating model different/unique at your firm?
- What does career progression look like for operating partners?
- Making the "magic quadrant" work: how the deal team, operating team, CEO, and board can work together to deliver value creation
- Comparing team structures from generalists to functional specialists and sector specialists
- What does your engagement approach with portfolio companies look like? How is the engagement approach changing? How do you build trust?
- Uncovering where your operating partner teams focus their attention: processes, resources, and playbooks

### **Moderator:**

Rob Frazzini, Principal, Deloitte Consulting

### **Panelists:**

**Ignacio Giraldo,** Partner, TPG Rise

Prital Kadakia, Partner, Serent Capital

Colin Smith, Managing Director and Head of Portfolio Transformation Team, Oaktree Capital

# 10:20 AM Market challenges in 2023: remedies for good tech companies getting into bad cash situations

- When variable loans come due, where can tech companies find cash that meets the need and safeguards EBITDA
- Top line growth strategies
- Cost mitigation strategies
- What we are seeing working with software, technology and high-tech enabled services companies facing these conditions

#### **Moderator:**

Jeffrey Klein, Managing Director, Private Equity Performance Improvement, Alvarez & Marsal

### **Panelists:**

**Bruce Chesebrough,** Operating Partner, New Mountain Capital **Subhi Sherwell,** Field Operations Senior Advisor, TPG Capital

# 11:00 AM An inside look at key functional and cross-functional value creation initiatives across the investment lifecycle

- Looking at best practices in pre-deal, 100 days, hold and exit through the lens of different functional area specialists
- What matters most to operating partners in different functional areas in analyzing different types of funds and sectors
- Functional specialist operating partners will share cross-functional initiatives: challenges and opportunities

### **Moderator:**

Sean Mooney, Founder and CEO, BluWave

### **Panelists:**

Margo Hays, Managing Director, Digital Strategy, TSG Consumer Partners Bob Isaman, Chief Operating Partner, Graham Partners Brian Kasser, Talent Partner, Welsh, Carson, Anderson & Stowe Cici Zheng, Partner, ParkerGale Capital

### 11:40 AM Networking break

# 12:10 PM Interactive working groups

# Interactive Working Group 1 (for operating partners only) – Operating partner-CFO dynamics: driving engagement, support, and value creation initiatives

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive roundtable discussion with designated facilitators:

- Creating an impactful portfolio company CFO: how can PE best support portco CFOs to drive initiatives?
- How to best partner with CFOs during current challenging economic times
- Exchanging war stories of challenging relationships: dos and don'ts
- Accelerating your finance function through people, processes, and technologies
- Finance and accounting reporting and assessment best practices

### **Facilitators:**

**Alayna Stuck,** Private Equity Practice Lead, Sage Intacct **Curt Witte,** Partner, Head of Growth Factors, Bregal Sagemount

# Interactive Working Group 2 (for operating partners only) – Untapped leverage: how to combat supplier price inflation and reduce your IT costs before you start negotiating

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive roundtable discussion with designated facilitators:

Virginia Lantz, Director of Insight Sourcing Group's IT Sourcing Practice will facilitate a topical discussion on IT cost optimization, with an emphasis on managing renewal spends. In this session, we will:

- Address recent trends in technology providers' cost structures amidst recessionary climate
- Provide practical guidance for combatting supplier gamesmanship and price increases guised as inflationary pressures
- Explore demand management principles and advanced planning measures that help reduce IT costs and maximize negotiations outcomes
- Discuss product evaluation with emphasis on market proliferation of AI and machine learning tools and guidance on how to scrutinize potential AI investments
- Review contracting and relationship management practices to proactively ensure a strong starting position for future renewals

### **Facilitator:**

Virginia Lantz, Director, Insight Sourcing Group

# Interactive Working Group 3 (for operating partners only) – What is happening in buying centers and how does that impact value creation in portfolio companies?

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive roundtable discussion with designated facilitators:

- How are customer buying centers responding to the macro environment?
- How are providers responding to these challenges, and what has worked?
- What value creation strategies will drive top line growth over the next 12 months?

### **Facilitators:**

**Stephen Lane,** Senior Director, Teneo **David Reid,** Senior Managing Director, Teneo

### 12:50 PM Networking lunch

# 12:50 PM Women in PE and VC portfolio operations lunch (invitation-only for operating partners)

This closed-door lunch discussion will explore what it's like being a woman in PE and VC portfolio operations:

- Exploring career paths, development, and how to position yourselves as female leaders
- Is your firm focused on women's leadership at portfolio companies?
- What initiatives are you driving for women on boards across portcos? What can be done?
- Does your firm have any specific programs, leadership coaching, or assessments geared towards promoting women's leadership?
- Looking at trends and stats in gender in PE and VC

#### **Facilitators:**

**Debra Cash,** Managing Director, Alvarez & Marsal **Martina Lauchengco,** Partner, Costanoa Ventures **Kate Migliaro,** Global Head of Portfolio Talent, Searchlight Capital Partners

### 1:50 PM Breakout sessions

### **Track 1 Operating partner-deal team dynamics**

• Discussing what your deal team wants and needs from you

- What do your investors value most in your role as an operating partner?
- How to build trust and grow your relationship with deal teams: what does a successful partnership look like?
- Showcasing best practices in the due diligence phase and across the investment cycle
- How does the current climate affect your partnership and what is most important when it comes to synergy in this environment?

Daniel Heidenreich, Director, Private Equity, RSM US

### **Panelists:**

Jason Friedrichs, Director, Portfolio Operations, Altamont Capital Partners Gabe Mesanza, Partner, Resource Group Lead, Huron Capital Billy Parks, Operating Partner, Brand and Creative, TCG Achi Yaffe, Managing Director, Portfolio Operations, GI Partners

### Track 2 Value accelerator: optimizing the PE operating team to accelerate time to value

- How 100-day plans are accelerating in the current environment and years to come
- What are the biggest mistakes to avoid in the first 100 days?
- What key roles and new roles are most important in rapidly accelerating the value creation plan?
- Uncovering holistic views across functions in looking at accelerating the value creation ecosystem overall
- Sharing operating partner initiatives in the fast lane: lessons learned to scale quickly and have an immediate impact
- Unlocking broad-based acceleration with tools, resources, and partners: how can value be achieved quickly and robustly for it to have an ongoing impact in the lifecycle sooner and sooner

### **Moderator:**

Jeff Amann, Chief Customer and Commercial Officer, Products, Salesforce

### **Panelists:**

**Kevin Jeon,** Director of Revenue Optimization, Peak Performance Group, Summit Partners **Ankur Patel,** Operating Vice President, Accel-KKR **Gabriel Shields-Estrada,** Principal, Value Creation, Vector Capital

# Track 3 Redefining your human capital playbooks in the current economy

- Uncovering challenges, opportunities, and the overall impact of a downturn on the human capital function
- How do you demonstrate and convince all stakeholders about the value of human capital best practices and the function in this economy
- How are you changing your playbook? How are you looking at the quality of the leadership team in this environment?
- How are you engaging with and helping your portcos to grow and optimize given the uncertainty of the current climate?

• What are the lessons learned in looking at previous downturns? What do you foresee for the remainder of 2023?

#### **Moderator:**

Jan Jamrich, CEO and Founder, Entromy

#### **Panelists:**

**Kelly Carlson,** Managing Director, Head of Talent, STG Partners **Ann McCloskey,** Operating Principal, Accel-KKR **Katie Solomon,** Managing Director, Talent Management, Genstar Capital **Bryan West,** Managing Director, Talent, Resurgens Technology Partners

### 2:30 PM Breakout sessions

# Track 4 Financial innovation: how operating partners and CFOs can drive growth plans in today's climate

- Cutting costs, not capacity: looking at new and innovative approaches to budgeting when in headwinds
- Grasping game changing opportunities for companies in their ability to release new products and strategies for future growth
- Understanding how to gain financial and operational flexibility to bounce back faster
- Sharing examples and war stories of financial innovation during previous downturns

### **Moderator:**

Tim Sanders, Vice President of Client Strategy, Upwork

### **Panelists:**

**Nicki Lambropoulos,** Operating Partner, Cold Bore Capital **John Roselli,** Operating Partner, New Harbor Capital **Chris Westington,** Director of Portfolio Management and Value Creation, BCI

# Track 5 Beating inflation with advanced pricing strategies

- Looking at inflation's challenges and current opportunities in different industries/sectors
- The critical levers already in your control: optimizing your customer base
- Implementing urgent and opportunistic pricing changes in current times
- Using data: tracking these KPIs to achieve out-performing net retention
- Digital strategies: the technology that will increase your reach
- Engaging with companies to successfully execute pricing projects

### **Presenters:**

Adam Echter, Partner, Simon-Kucher Edward Hartman, Board Member, Simon-Kucher Ryan McMullin, Operating Principal, Accel-KKR

# Track 6 Practical approaches for portfolio companies to drive ESG within value creation

 Uncovering practical steps in different phases of the investment lifecycle to embed ESG within value creation

- How should your portfolio companies think about ESG in looking at climate change and their carbon footprint? Any other specific areas within ESG?
- Mapping out and engaging with all key stakeholders on ESG
- What is the role of the operating partner in driving ESG initiatives?
- Sharing frameworks to evaluate ESG risks and opportunities
- ESG reporting: How are ESG based KPIs, and metrics being used effectively? What are LPs requesting?

Ellen O'Rourke, Director, ESG Practice, PwC

### **Panelists:**

**Danica Elliott,** Principal and Head of Human Capital, Growth Advisory Team **Allison Gosselin,** Director, Environmental, Social and Governance, Graham Partners **Prachi Kanabar,** Principal and Head of Portfolio Operations, Sunstone Partners

### 3:10 PM Breakout sessions

### Track 7 Keys of GTM, sales and marketing strategies from diligence to exit

- Improving your sales and marketing alignment and execution strategy in the different stages of the investment lifecycle
- Looking at GTM and marketing examples across different sectors
- What tech and resources are needed when it comes to GTM, Sales, and Marketing
- Understanding how to execute with longer hold periods and how to focus on organic growth in current times

### **Moderator:**

**Slade Kobran,** Managing Partner, Private Equity, Chief Outsiders

#### **Panelists:**

**Elizabeth Dresdale,** Principal, The Catalyst Group, Incline Equity Partners **Sam Jones,** Principal, KKR Capstone

**Zorian Rotenberg,** GTM, Sales & Revenue Growth Operating Partner, Charlesbank Capital Partners **Prerak Vohra,** Managing Director, Goldman Sachs Asset Management

# Track 8 Talent acquisition, retention, and development: operating partners share human capital best practices

- Sharing advanced strategies in talent acquisition in the current environment
- What are the biggest challenges when it comes to recruiting in this environment?
- What types of leaders are needed at companies in this economy? How do you hire versatile people in this economy?
- How are you dealing with layoffs in the current market?
- What retention strategies are you using? What works and what doesn't?
- How has the remote mindset impacted your hiring and retention plans?
- How do you develop high-potential talent in this climate?

### **Moderator:**

Winnie Chu, Vice President, Strategic Alliances, and Regulated Industries, AspireHR

### **Panelists:**

**Ashley Day,** Operating Partner - Human Capital, FFL Partners **Dan Grosh,** Operating Partner, Human Capital, Diversis Capital **Kelie Morgan,** Director of Talent Acquisition, Permanent Equity **Nipul Patel,** Senior Vice President, Human Capital, Serent Capital

### Track 9 The future of finance: enabling a digital and data-driven CFO

- Financial transformations: operating partners share war stories
- Establishing roadmaps for CFOs in digitizing your finance practice and reporting best practices
- How have you worked with CFOs to define their path to value via data and automation?
- What areas of automation in finance and accounting have been the most successful?
- Uncovering key skills needed in CFOs for portfolio company digitization: how the CFO must navigate the increasing IT complexity of today's world

### **Moderator:**

Sarah Spoja, Chief Financial Officer, Tipalti

### **Panelists:**

**Tiffany Breitkreutz,** Operating Advisor, Norwest Equity Partners **Monica Johnson,** Operating Partner and CFO, NGP Capital **Anish Sharan,** Head of Digital Transformation, Pritzker Private Capital

### 3:50 PM Networking coffee break

#### 4:10 PM Breakout sessions

# Track 10 Customer analytics and growth of install base: turning data into a commercial driver

- Discussing the "why and how" in looking at: granular subscriptions/contracts, customers, product, usage, and support data to drive increased retention and renewals, upsell, and cross-sell
- Uncovering real world results and KPIs that depict customer health/the customer journey
- Key sales KPIs and metrics: utilizing data to achieve market differentiation and a sustainable competitive advantage

### **Moderator:**

Austin Downing, Senior Manager, Data Scientist and Technology, West Monroe

### **Panelists:**

Mark Fiske, Operating Partner, Digital Strategies, H.I.G. Capital
Alok Garg, Executive Operating Partner, Digital Transformation, Sumitomo Corporation of Americas
Daniel Perry, Director, Sales and Commercial Excellence, Parthenon Capital
Shivani Tejuja, Advisory Director, Charlesbank Capital Partners

### Track 11 Fireside chat: the evolving role of the finance operating partner

- What makes a great finance operating partner today?
- Discussing the breadth and depth of your role as finance operating partner today and what the role/model will look like in future
- How has the role changed in the last 3 years?
- How will it continue to change/evolve in the next 5 years?
- As a finance operating partner, how do you work best with management teams to accelerate finance value creation initiatives?

- How are things more challenging in the current market and what needs to be done differently?

### **Facilitators:**

**Michael Belkin,** Director, Private Equity Partnerships and Global Alliances, Zuora **Ryan Polk,** Operating Partner - Product & Technology, Insight Partners

# Interactive Working Group 6 (for operating partners only) – Pricing execution workshop: operating partners share how to go from pricing theory to actual EBITDA realization

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive roundtable discussion with designated facilitators:

- Variables to consider when rolling out a pricing change across your GTM organization
- How to properly engage your customers/prospects: enabling your GTM organization to have the right conversations to drive success
- How to roll out price/packaging changes across customer segments and new prospects
- Do's and Don'ts: why some pricing projects succeed while others fail
- Steps to ensure pricing projects impact the enterprise value of the organization
- Comparing pricing models: how to implement different models across different industries

### **Facilitators:**

**Tim Foster,** Managing Partner, Maple Street Advisors

Zorian Rotenberg, GTM, Sales & Revenue Growth Operating Partner, Charlesbank Capital Partners

5:30 PM End of day 1 and networking cocktail reception

# **Day 2 - Thursday, June 8, 2023**

# 7:30 AM Registration and breakfast

# 7:45 AM Technology deep dive breakfast discussion (for operating partners only) – Digitally enabled commercial effectiveness and transformations: operating partners share strategies and perspectives

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive discussion with designated facilitators:

- Innovative approaches for working with portco leadership to maximize value creation and returns
- Best practices for operating partners to build Al/ML capabilities focused on digitally enabled commercial effectiveness, including hiring digitally savvy leaders, and implementing effective change management programs to embrace digital commercial innovation
- Case examples of tools and success stories of digitally enabled commercial transformation

#### **Facilitators:**

**Yale Kwon**, Director, AlixPartners **Hoyoung Pak**, Partner and Managing Director, AlixPartners **Saurabh Singh**, Director, AlixPartners

8:30 AM Think tanks for full-time operating partners – tech value creation war rooms (for operating partners only)

Invitation-only think tanks for full-time PE and VC operating partners. This closed-door discussion will allow you to learn and share value creation practices of successful operating partners. Please select one of the two rooms:

# Think Tank Room 1 Tech value creation playbooks in the current economy Facilitator:

Geoffrey Baird, Independent Operating Executive, Palladium Equity Partners

# Think Tank Room 2 Future trends in tech and how they will impact PE/VC portfolio operations Facilitators:

**Misha Logvinov,** Director, Mubadala Performance Partners, Mubadala **Milo Sprague,** Chief Technology Advisor, FTV Capital

9:15 AM Chairman's welcome: Tim Sanders, Vice President of Client Strategy, Upwork

# 9:30 AM Operating partner perspectives: tech trends to optimize business performance in a recessionary climate

- Operating partners: what does your tech scorecard look like in a downturn? How is your tech playbook changing/evolving in the current macro climate?
- What can tech and tech operations do to protect EBITDA? What measures and initiatives are most effective? What can and should be automated? How can tech drive more efficiency across functions in your companies to preserve and deliver value in the current environment?
- Understanding cost optimization and bringing down your tech debt with better processes and new technologies
- Sharing tech war stories in the current downturn as well as previous downturns to maximize value in the years to come

#### Moderator

Mike Cochran, Managing Director, Head of CFO Tech Services, Accordion Partners

#### **Panelists:**

**Raj Kushwaha**, Co-Head of Value Creation and Chief Digital Officer, Warburg Pincus **Chris Satchell**, Operating Principal Technology and Digital, Clayton Dubilier & Rice **Carsten Weber**, Technology Director, The Sterling Group

### 10:10 AM AI/ML as a key element of value creation: what does the future hold for PE?

- How to differentiate between AI and ML
- Examples where AI/ML have been put to the test along with outcomes
- With the advent of ChatGPT, what are the risks/challenges with generative AI that PE should consider
- How to measure the value of AI/ML
- What kind of impact will AI/ML have on the PE operating model

### **Moderator:**

Declan Morris, Private Equity Transformation Advisor, Amazon Web Services (AWS)

### **Panelists:**

**Cory Eaves,** Operating Partner, General Atlantic **Lucia Soares,** Managing Director and Chief Information Officer, The Carlyle Group **Michael Todd,** Operating Executive, Silver Lake

# 10:50 AM Leveraging zero trust security in PE to improve cyber resiliency, increase EBITDA and enhance business agility

This panel discussion will focus on key tenets of zero trust, highlight approaches to embrace zero trust in PE portfolio companies and financial benefits of cyber resiliency:

- Zero Trust: Is it a new cyber security industry buzzword? How to separate noise from true zero trust? What should operating partners and portfolio company CIO/CISOs know?
- Improve Cyber Resiliency: How to reduce cyber risk, prevent cyber-attacks and drive secure digital transformation at portfolio companies? Where and how to start the journey with portfolio company CIO/CISOs?
- Increase EBITDA: How a cloud native cyber security platform contributes to both top and bottom line? How can PE portfolio companies reduce infrastructure, network and security costs while providing better user experience?
- Enhance Business Agility: How zero trust drives accelerated time to value for add-on or carve-out acquisitions?

### **Moderator:**

Akshay Grover, Managing Director - Global Private Equity Practice, Zscaler

### **Panelists:**

**Deron Grzetich,** Senior Partner, National Cyber Leader, West Monroe **Marcus Tonsmann,** Cybersecurity Program Manager, Hellman & Friedman **Carsten Weber,** Technology Director, The Sterling Group

### 11:30 AM Leveraging cloud infrastructure to improve performance, reliability, and scalability

- Uncovering cloud transformations success stories at your companies
- Leveraging cloud to meet business challenges and improve performance, scalability, and reliability
- Meeting customer requirements to scale as their requirements scale
- Understanding the shift in looking at cloud spend
- Public cloud vs private cloud vs. hybrid cloud
- Multi-cloud vs. single cloud

### **Moderator:**

Sachin Satija, Partner, KPMG

#### **Panelists:**

**Misha Logvinov,** Director, Mubadala Performance Partners, Mubadala **Jeffrey Malcolm,** Value Accelerator Operating Advisor, Technology, Goldman Sachs Asset Management

Milo Sprague, Chief Technology Advisor, FTV Capital

### 12:00 PM Networking break

## 12:20 PM Interactive working groups

# Interactive Working Group 7 (for operating partners only) – Cybersecurity operating partner workshop: dos and don'ts in the modern landscape

This deep dive discussion designed solely for operating partners will allow the audience to join an interactive roundtable discussion with designated facilitators:

- Cybersecurity in today's world: how do you define good cybersecurity and what is enough security? How prescriptive are you on cybersecurity?
