PERE Network Seoul Forum 2026

Tuesday, 2nd June 2026 | Conrad Hotel, Seoul

Experience the unmatched scale of PERE Seoul Forum 2026, Korea's largest real estate gathering where institutional investors outnumber managers nearly 1.5:1!

This is your opportunity to connect with Korea's 300 most active institutional investors. Meet with decision makers, learn from industry leaders, build lasting partnerships that will strengthen your position with Korea's leading capital allocators.

With the added bonus of being co-located with Infrastructure Investor Seoul Forum, you unlock unparalleled access to an even broader network of real assets investors, maximising the impact of every meeting and every conversation.

Live English/ Korean interpretation provided

0800 Investors' Breakfast Briefing

- A yearly conference tradition bringing together Korean institutional investors for a closed-door, intimate conversation on the state of real assets.
- A data-driven, honest discussion designed to surface real concerns, real sentiment, and real priorities for the year ahead.
- This year, investors in real estate and infrastructure come together in one room to compare perspectives and share what is truly top of mind.

Ethan Koh, Head of Global Research Operations, **PEI Group**

**Open to institutional investors only, email Elliott Chae (elliott.chae@pei.group) to RSVP.*

0800 Fundraising Workshop - What Overseas Managers Need to Know about Korean Investors

- How are Korean institutional investors redefining their approach to global managers and what shifts are shaping capital commitments?
- Investors' expectations on fund terms, on-the-ground presence, and alignment
- What must global managers do to build relationships and long-term success across the region?

**Open to all, email Genevieve Yap (genevieve.yap@pei.group) to RSVP.*

0830 Registration & Networking

0905 View from the Commentary Box- PERE Editor recaps the biggest headlines of H1'26

- A recap of the most consequential breaking news and the top stories that defined global private real estate in H1 2026.
- Interpreting key data points that reveal how fundraising and transaction activity performed in the first 6 months of 2026.
