Embracing Diversity in the Evolution of Private Markets

Fostering connections across diverse backgrounds and levels, our events offers tailored sponsorship opportunities in Private Equity, Infrastructure, Real Estate, and Private Debt forums.

Building on the success of our London Summit, senior women in private markets lead conversations alongside industry leaders, fostering relationships, driving growth, and championing diversity and inclusion.

Our sponsorship packages are a great way to:

Enhance your networking reach at the event

Receive early access to the attendee list before and post-event and arrange those all-important meetings.

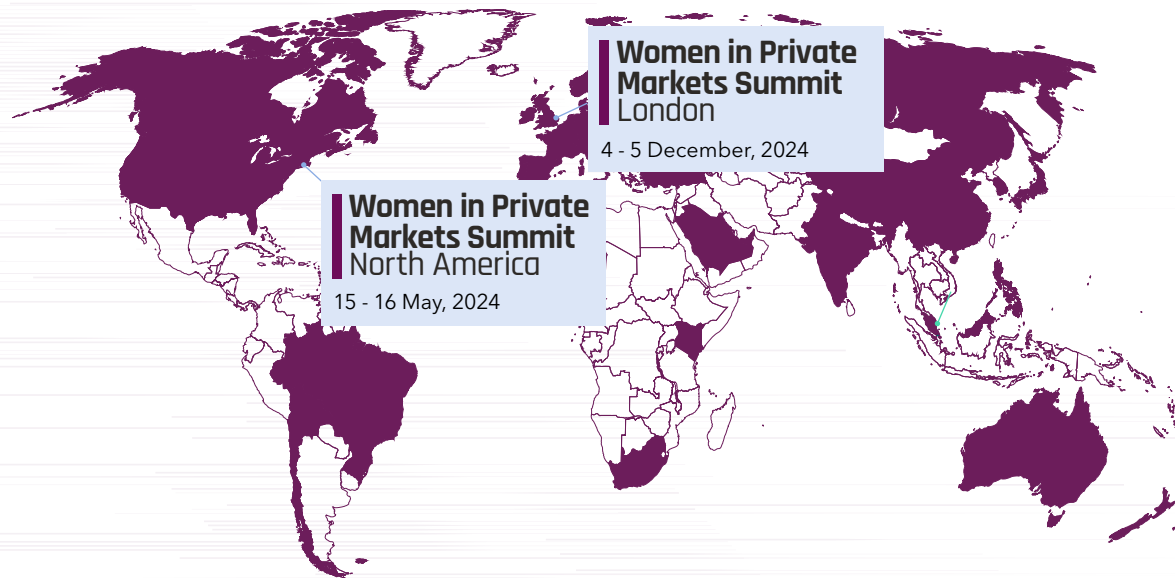

Position your company as a thought leader

Strengthen your company's expertise and be heard by a global audience of investors and industry professionals through targeted speaker opportunities.

Increase your brand visibility to your target audience

Embed your brand within the industry as a lead player by being positioned at the center of marketing activities.

WE SUPPORT

As part of our commitment to sustainable and responsible business practices, PEI Media has embedded the Ten Principles of the United Nations Global Compact into strategies and operations, and committed to respecting human and labour rights, safeguarding the environment, and working against corruption in all its forms.

As a first-time attendee, it was very useful to understand the urgency of being more demanding with ourselves and with portfolio companies. It was great to learn from the best in market.
