Agenda highlights for the Summit

Women in Private Equity Forum London 2023

- The state of play in private equity
- GP/LP data dialogue: taking steps to resolve the ESG data challenge
- Dealmaking in an uncertain and changed economy
- Examining how appetite for co-investments is being impacted by economic disruption
- How is UK venture and growth holding up in a bear market?

Women in Infrastructure Forum London 2023

- The state of play in infrastructure
- Digging into the details: best approach and methods for energy assets
- Combating challenges in digital infrastructure
- Finding the keys to success for infrastructure debt & financing
- The future of infrastructure

Women in Real Estate Forum London 2023

- The state of play in real estate
- How is the changing macro-environment impacting real estate debt?
- Decarbonising real-estate assets and portfolios
- The future of offices 3.0: how is the market evolving post-covid?
- Residential investment in the UK and Europe

Women in Private Debt Forum London 2023

- The state of play in private debt
- Distressed debt and special sits in a developing recessionary environment
- What's next for ESG integration in private debt?
- The rise of private debt club deals
- Evolving fund structures in private debt

The event experience

Connect with a large cross-asset network

Network with industry professionals, expert leaders, and your peers in the private markets sector. Build new relationships with like-minded individuals, foster new collaborations, partnerships and investment opportunities.

Share your knowledge

Hear from keynote speakers, interact in panel discussions and workshops covering trends within the private markets industry, gain valuable insights and knowledge from experts in the field.

Hear from industry leaders

Learn how leading experts are actively addressing diversity within their own businesses and those they work with. Understand how investor allocations are changing across private markets, what trends leading fund managers are seeing across their asset classes, why secondaries continue to boom, and much more.
