The **Women in Private Markets Summit** is the leading event focused on alternatives and private markets. It is returning to London for its 10th year once again co-located with the **Women in Private Equity, Women in Infrastructure, Women in Real Estate** and **Women in Private Debt Forum**.

Join **over 800 attendees** from fund managers, general asset managers and institutional investors for two days of networking at the must-attend event for private markets professionals.

# Networking opportunities available across the summit

Join the summit in-person this November and start meaningful conversations with a global community through the many networking opportunities we have on offer.

1

## Join interactive sessions across the agenda

The specially crafted agenda is designed to provide numerous networking opportunities within smaller settings. Join the interactive working groups, breakfast think tanks, roundtable discussions, cocktail receptions and a seating networking lunch and connect, learn, and forge valuable relationships. Gain insightful knowledge and establish lasting connections that will enrich your professional endeavors.

2

## Build a cross-asset class network

Learn from and meet with a diverse range of practitioners across private markets. Our agenda explores every aspect of alternative investments, ensuring you gain a comprehensive understanding. Delegates can move freely between forums, allowing the exchange of ideas and fostering of connections, enabling you to broaden your network and insights.

3

## Meet global investors

Join a prestigious gathering of registered investors, including AIMCo, Asian Development Bank, AustralianSuper, AZR, Border to Coast, British Business Bank, EBRD, MN, NZ Super Fund, OMERS Infrastructure, Pension Insurance Corp, PSP Investments, Railpen, Temasek, and USS amongst many others. Explore potential investment collaborations, foster strategies and shape your investment trajectory.

# 1 SUMMIT. 4 FORUMS.

Bringing together **women across private equity, infrastructure, real estate and private debt.**

# Featured sessions at

## Women in Private Equity Forum London 2023

### The state of play in private equity

- » To what extent has the market reopened?
- » Examining the ongoing impact of the denominator effect on PE allocations
- » Predictions for fundraising and dealmaking in the next two years

### Dealmaking in an uncertain and changed economy

- » How is the interest from large US PE houses impacting the investment landscape in the UK and Europe?
- » To what extent is current disruption an opportunity for managers?
- » Learnings from previous downturns

### Examining how appetite for co-investments is being impacted by economic disruption

- » What have been the drivers for increased demand in recent years?
- » To what extent are co-investment opportunities a primary driver in fund commitments?
- » Is there any sign of a reduction in demand for co-investments?

# Featured sessions at

## Women in Private Debt Forum London 2023

### The state of play in private debt

- » Potential impact from the current bank market turmoil on the private debt market as banks further de-risk their exposures
- » What parts of the Private Debt market could be attractive to LPs in the current environment?
- » How are funds navigating fundraising headwinds?

### The rise of private debt club deals

- » Will the bigger LBOs still go to the public loans and bonds market or will more managers team up to encroach this space and finance larger deals?
- » What are the key benefits of lending clubs to a borrower?
- » Credit funds taking on lead sole lender positions vs club deals- what works better?

### Distressed debt and special sits in a developing recessionary environment

- » What's driving the renewed interest from LPs in the special sits market?
- » Where are investors finding value amidst the market dislocation?
- » With rising rates and inflationary pressured, is the market ripe for potential distressed deals?
