The Women in Private Markets Summit is the **world's leading fundraising and networking event for women in alternatives**. It is returning to London for its 12th year once again co-located with the Women in Private Equity, Women in Infrastructure, Women in Real Estate and Women in Private Debt Forum.

Join **over 800 fund managers, general asset managers and institutional investors** for two days of networking at the must-attend event for private markets professionals.

Discover what's new in 2025

Join us at the Women in Private Markets Summit 2025 for an unparalleled experience to maximise your learning and networking opportunities.

Download the agenda

peievents.com/en/event/women-in-private-markets-summit/

1

Dedicated sessions on emerging asset classes: **the global data centre gold rush, defence sector investment opportunities, and the rise of evergreen credit strategies**

2

New LP insights on co-investments, asset allocation shifts, and navigating geopolitical and economic uncertainty

3

High-impact discussions:

"Will sustainable investing survive Trump 2.0?"

"Navigating Carve-Outs: Strategies, Risks and Opportunities "

"Growth areas in private debt"

4

Second Annual Future Leaders session - helping the next generation rise in private markets

5

CIO Interview: closing keynote with candid views on 2026's investment outlook

6

Speed networking - In these sessions there will be speed networking between conference delegates. A great way to meet 6-8 new people with 4-minute per meeting.

Why attend?

Key takeaways for attendees

Unrivalled networking

Connect with 800+ senior professionals, including 225+ LPs, through structured sessions like cocktail receptions, speed networking, LP & GP Think Tanks and roundtables.

Four focused forums

Access dedicated content across Women in Private Equity, Private Debt, Real Estate, and Infrastructure - all under one roof.

Insights from industry leaders

Hear directly from top LPs and GPs including CPP Investments, AustralianSuper, GIC, USS, and APG Asset Management.

Stay ahead of the curve

Explore key trends shaping private markets: secondaries, evergreen structures, AI, sustainability, and LP allocation strategies.

Champion diversity and future leadership

Be part of the platform advancing DEI in alternatives and engage with tomorrow's leaders at the Future Leaders session.

Maximise your time

Two days of high-value content and networking designed for efficient, meaningful engagement.
