

# Asia Summit

PERE Asia Summit 2026  
2-4 March 2026 | Grand Hyatt Singapore

**Rethinking real estate. Rebuilding with conviction.**

The **PERE Asia Summit 2026** brings together 800+ industry leaders for three days of high-impact networking and unmatched deal-making. With an unrivalled 1:1 investor-to-manager ratio, it is the region's premier gathering for capital, innovation, and opportunity.

As investors rethink portfolios and pursue fresh strategies, the Summit reveals where the smartest capital is flowing, showcasing how conviction is driving the next wave of global real estate investment.

## Agenda at-a-glance

Day 1	Day 2	Day 3

Sector focus	Investing strategies			

## **A carefully curated program designed to connect leaders across the industry**

Here are your networking activities

### **Day 1**

- 1000 LP/Investor breakfast briefing (*by invitation only*)
- 1000 GP fundraising workshop
  
- 1100 Open mic: Hear the best (and worst) stories in real estate
  
- 1145 An audience with...: 4 rooms, 4 leaders – ask anything you want
  
- 1400 Masterclasses: Practitioner-led workshops
  
- 1445 Think tank sessions: Curated groups, interactive and collaborative
  
- 1700 Grand Opening Cocktails

### **Day 2**

- 0615 The Run Club
  
- 0800 Breakfast briefing: Private data & market pulse for investors
  
- 1230 Investor-only lunch (*by invitation only*)
  
- 1730 Networking cocktails – where real connections are made
  
- 1830 VIP dinner at the Singapore Cricket Club (*by invitation only*)

### **Day 3**

- 0800 Women's breakfast briefing
  
- 1230 Lunch briefing – AI and asset management
  
- 1520 High tea and bubbles – exclusive to investors/LPs

*An afternoon affair uniting investor members from the PERE, Infrastructure Investor, and Private Debt Investor Networks, featuring refined networking over high tea and champagne.*

## Advance your fundraising

Attendees can expand their fundraising horizons by connecting 250+ global institutional and private investors actively seeking opportunities in private real estate.

## Discover the latest industry intelligence

The Summit's world-class speaking faculty show our audience where, and how, you can find attractive investments around the globe.

## Save time building your network

Engage with industry leaders before, during, and after the Summit with a PERE Network membership. Access a network of over 1,400 investors and managers worldwide.

**2 March 2026 | Monday**

**Day 1**

### 0930 Registration + Breakfast & Coffee

#### 1000 Investor Breakfast Briefing

PERE's proprietary data briefing on global real estate allocation trends in 2026

\*Institutional investors only, off-the-record, pre-registration required. (Residence 1)

*Attending investors will receive an exclusive intelligence report from PERE, featuring proprietary data and analysis on how the world's top investors are allocating in 2026.*

Ethan Koh, Head of Global Research Operations, **PEI Group**

#### 1000 Real estate fundraising and deployment strategy workshop

Raising capital in Asia: What overseas managers need to know

\*Open to all. (Residence 2)

- Investors' expectations on fund terms, on-the-ground presence, and alignment
- What must global managers do to build relationships and long-term success across the region?

### 1100 Open Mic: Off-the-record – The stories we don't put on slides (Residence 5, 6)

Share stories that were awkward, painful, or mildly career-limiting – best left off LinkedIn.

- I thought it was a sure thing
- The most awkward investor meeting ever
- The asset that haunts me
- The pettiest thing I've ever seen
- When due diligence went off the rails

# Asia Summit

## 0900 Opening remarks

Conference chair: Chelsea Perino, Managing Director, Global Marketing & Communications, **The Executive Centre**

## 0910 Keynote interview: What belongs in the next decade of portfolios?

- Amid higher rates, geopolitical tensions, and demographic shifts, which real estate assets still belong in portfolios and which should be reconsidered?
- Rewriting the rules: how investors are breaking free from outdated frameworks
- What is the cost of clinging to legacy assets in a market begging for reinvention?

## 0940 Panel: Driving value creation in real estate

- New technologies that enhance operations and tenant engagement
- How sustainability impacts asset valuation, leasing velocity, and investor demand
- Using AI and technology to enhance decision-making, improve efficiency, and drive profitability

Moderator: Bernie Devine, Senior Regional Director, Asia Pacific, **Yardi**

Hayato Tsuji, General Manager, Real Estate Finance Department, **Development Bank of Japan**

Sarah Winbur, Senior Portfolio Manager, **APG Asset Management**

Su Lin Wee, Executive Director, Head of Asset Management (SEA), **PGIM**

Clarissee Wong, Head of Real Estate, Asia, **Mercer**

## 1020 Presentation: Global real estate allocation: Investors on the move

- Understanding why institutional investors are increasingly allocating capital globally
- Identifying target markets, investment strategies, and the balance between developed and high-growth regions
- Exploring interest in sustainability-aligned assets, and “new economy” real estate sectors globally

Paul Brennan, Global Head of Real Estate, **King Street**

## 1050 Coffee break

## 1120 Fireside Chat: Positioning for growth - Inside APG's strategy to capture the next wave of real estate opportunities

- How APG is leveraging Asia's demographic, technological, and urban growth drivers to identify long-term real estate opportunities
- The role of collaboration between regional and global teams in shaping investment strategies and capturing differentiated opportunities
- Lessons from past cycles: how institutional investors are applying hard-earned insights to navigate today's complex fundraising and market environment

Interviewer: Diego Lopez, Founder and Managing Director, **Global SWF**

Brian Hung, Managing Director, Head of Real Estate Asia Pacific, **APG Asset Management**

# Asia Summit

## 1150 Investor panel: Rebuilding confidence – what institutional investors need to recommit capital at scale

- How are managers restoring investor confidence and building stronger, more resilient relationships?
- Redefining scale and portfolio concentration in the current market
- What signals will investors look for before shifting from cautious re-ups to bold new allocations?

Moderator: Christie Ou, Senior Reporter, **PERE**

Josephine Yip, Managing Director, Real Estate, **La Caisse**

Mark Lee, Senior Portfolio Manager – Head of Real Estate, **Australian Retirement Trust**

Temirlan Tileshev, Head of Real Estate and Infrastructure, **National Investment**

**Corporation of the National Bank of Kazakhstan**

Doohyeong Lee, Senior Manager, Real Estate Investment Team, **National Agricultural Cooperative Federation**

Chongmook Kang, Head of Real Asset Investment Team, **Government Employees Pension Service (GEPS)**

## 1230 Presentation: Are ‘Alternatives’ still alternative? The next mainstream in Australian Real Estate

*This session challenges conventional definitions of “core” real estate and explores why the real risk in real estate today may be not evolving beyond traditional sectors.*

- Why “Alternative” is becoming an outdated label —structural, needs-based demand is reshaping real estate
- What Australia can learn from the US & Europe – Self Storage, Life Sciences and Social Infrastructures move from fringe to core.
- How early movers can capture higher growth and resilient income without added risk, informed by global precedent

Ben Hickey, Managing Director, Head of Australasia Real Estate, **BlackRock**

## 1300 Lunch Break

## 1300 Lunch briefing – How technology is redefining the global real estate landscape

- AI-driven analytics transforming property valuation and market forecasting
- Smart building technologies reshaping tenant expectations and asset performance
- Automating transactions, property management, and investor decision-making

## 1400 Panel: Attracting private wealth – how platforms are helping fund managers raise capital

- A keen look at private wealth as a growing and reliable source of funds
- Focusing on GPs and private wealth managers expanding access to HNWIs and family offices through different structures
- What fund managers need to know about onboarding, reporting, and investor servicing when working with private wealth channels

Moderator: Desmond Sim, Group CEO, **Realion Group**
