Previously known as the Directors' Conference, the Directors & CEO Conference and now the CU Leadership Convention, we have always strived to deliver the very best information to help your credit union grow. For 45 years, the conference has delivered the best content, packed with practical guidance and innovative solutions from the country's leading SMEs, CEOs, executives, directors and consultants willing to share what's working – and what's not.

This year is no exception! Join us in Vegas to share ideas, network and learn from the country's leading credit union experts. This year's convention features:

- > 63 sessions with real-world guidance from CEOs, directors and SMEs.
- > 8 NEW Breakout Summits on today's hottest topics, including lending, HR, leadership, fintech and more. Pick and choose your favorite topics!
- > 4 NEW Deep Dive Pre-Conference Workshops on big data, financial management, M&As and strategic planning.
- > Expanded Breakfast of Champions idea exchange (limited to the first 300 paid attendees).
- > NEW exhibit hall featuring 50+ solution providers.

- > And much more!

Since we are not an association or a CUSO, we deliver unvarnished perspectives from the industry's leading thought leaders, so you have the information you need to better serve your communities, your members and your employees. This commitment to top-quality content and thought-provoking speakers – all while in America's most exciting city – makes the CU Leadership Convention a must-attend event for any credit union leader.
