Private Equity International

NEXUS 2024

NEXUS 2024 is set to redefine the LP/GP connection in Orlando on March 6-8

As macro trends continue to dampen fundraising, deals, and exits across the entire private equity landscape, there's never been a greater need to come together as an industry.

The NEXUS difference is the quality of speakers, content, and attendees built off 20+ years of Private Equity International and PEI Group's deep integration with the asset class and our 10,000+ subscribers.

The agenda delivers three days of distinct insight into global private equity markets and tailored networking that you can't get anywhere else.

The NEXUS difference – An agenda built for connections

The event combines superior content and speakers in a casual environment and structure to help you build meaningful relationships. Hosted in the warmth of Florida, there are indoor and outdoor activities to facilitate business and personal connectivity.

NEXUS Grand Opening

The Grand Opening will kick off NEXUS surrounded by the breathtaking views of the Grande Lakes outdoor stage. Enjoy a festival of food and drink alongside unmatched speakers, content, and networking.
Don't be late!

PEI Group charity golf tournament

Tee off at the Ritz Carlton Golf Course, the same course that hosts the PGA Tour's PNC Championship each year. Test your mettle on the Greg Norman designed course where Tiger Woods, John Daly, Justin Thomas, and the PGA Tour's best battle it out each year.

Sustainable Culinary Experience: 'Garden to Table'

Curated by Executive Chef Bir Yadav, the JW Garden to Table experience begins with a guided tour of the flourishing JW Garden, led by Chef Bir and two of the resort's dedicated Herb Gardeners.

The NEXUS difference - An agenda built for connections

Valuable sharing with your peers

Each day features multiple networking meals and sessions that connect just your peer group to solve the challenges that you face every day.

Investors

Limited Partners Council on day 1 will give you the chance to discuss the best ways to negotiate fund terms, hear from CIOs on how to optimize your portfolio, and much more.

Women in private equity

Kick off the conference with lunch to establish relationships and build your network before the main event. We'll also celebrate International Women's Day on the terrace to kick off day 3.

GPs

The agenda features streams that cover every aspect of private equity - fundraising, deals, secondaries, venture capital, and more. You will leave the conference with actionable advice on how to enhance your strategy.

Agenda

March 6-8, 2024 | JW Marriott Orlando, Grande Lakes | Orlando, FL

Wednesday, March 6	
9 am – 12 pm	**Council Meetings (Invite only)**
9 am – 12 pm	**Limited Partners Council** Investor Leadership Council & Workshop with world-leading negotiation expert Chris Voss (LPs only) Exclusively for investors, the peer-to-peer Investor Council will comprise strategy-building roundtables that deep dive into contract negotiation tactics, gaining transparency, and reanalyzing portfolio construction/due diligence approaches to partnerships. **9 am - 10 am** **Workshop: Leading with leverage – The power playbook to gaining the most optimal fund terms** Please join the world's leading negotiator, Chris Voss, on developing the allocators' newfound power within partnerships that can be built on value creation. As allocators aim to transition to a changing fundraising environment, it is essential to focus on building best negotiations for targeted transparency and aligned expectations. Be empowered to gain a deeper understanding of where GPs interests will lie (e.g. in reducing both fund formation costs and length of side letter agreements) and how best to address points of contention for exclusive access to creative fund structures, lower fee rates and preferred decision making deadlines. **Facilitator:** **Chris Voss**, Founder, Chief Executive Officer, **The Black Swan Group** **10:10 am - 10:55 am** **Keynote Panel: Top of Mind 2024 – Re-Strategizing the portfolio and optimizing due diligence in the market landscape** As we head into closing the first quarter of H1, engage in best practices for analyzing the market and board decision-making as it parlays into considerations for re-strategizing or adjusting portfolio construction around private markets, predominantly Private Equity. Within that landscape, we can further look at the best ways to reassess our management profiles, investment performance and understand the due diligence needed to better onboard and uniquely collaborate in the partnership. We further deep dive on establishing cash flow and where CIO and CIOO can better align to increase transparency and request more from GPs. **Panelists:** **Lamar Taylor**, Interim Executive Director & Chief Investment Board, **Florida State Board of Administration** **Matthew Liposky**, Chief Investment Operating Officer, **Massachusetts Pension Reserves Investment Management (Mass PRIM)** **Vince "Robert" Smith**, Chief Investment Officer, **New Mexico Investment Council** **Scott Anderson**, Chief Investment Officer, **North Dakota Retirement and Investment Office** **11:05 am – 12 pm** **Think tank: The strategic secrets that guide successful portfolio decision-making** Roundtable 1: Determining quantifiable key performance metrics for re-upping decisions, commitment size and shifting capital

	Roundtable 2: Analyzing the denominator effect and its impact on risk returns and liquidity options Roundtable 3: Investors' reengagement on DPI and ensuring money back from the PE portfolio: successful exit strategies Roundtable 4: Navigating the increased competition for deals in niche sectors Roundtable 5: Culling the portfolio: Determining who stays and who goes Roundtable 6: The new market landscape and evolving DD processes Roundtable 7: Preventing long-term ramifications to fundraising misses
9 am – 12 pm	**The Managing Partner and Founders Council**: The Managing Partner and Founders Council will gather an intimate group of leading managers, founders and industry experts for their outlook on private equity in 2024. **9 am – 9:30 am** **The State of the Market Address** **9:30 am – 10am** **Fireside Chat: The Wealth Channel – The $80trn opportunity:** As retailization of private markets expands investor types drastically, rethink how traditional forms of alignment and the rules for of engagement may change for certain product types. This is a discussion that addresses the broader opportunities for alternatives, RIA's, Family Offices, including packaging and distribution options. **10:10 am – 10:55 am** **Keynote Panel: The Negotiation Table -** What LPs need amid challenging market conditions to secure more transparency, unique fund structures and favorable terms. We address the timing and dynamics at play between LPs, SPs, GPs amidst market shifts. **11:05 am – 12 pm** **Think tank: The Year of Capital Planning - Comparing LP & GP Expectations** Looking at the 2024 landscape, reassess existing and new capital commitments during slower exit environments.
12 pm – 1:30 pm	**Women in Private Equity Lunch** An opportunity to network with and learn from the women at the top of private equity. This is an invaluable lunch to establish relationships and build your network before the main event.
12 pm – 1:30 pm	**Lunch in the Citrus Garden**
1:30 pm – 7 pm	**Grand Opening Gala Reception on The Valencia Lawn** **PEI Center Stage**: Hosted by the PEI Group editorial team and guest speakers: **2pm – 2:30pm: Fireside Chat** with **Howard Marks**, Co-Founder and Co-Chairman, **Oaktree Capital Management** **3pm – 3:30pm: Cross Conversation - Innovative views behind employee shared ownership programs** Increased fund performance via shared prosperity? Evaluate dual perspectives on how to successfully implement ESOPS.

	Daniel Goldstein, President and Chief Executive Officer, **Folience** **4pm – 4:30pm: Panel: A New Frontier in the Major Leagues – Sports investing on peak** **5pm - 5:30pm: Emerging Managers Panel: The Watch – Identifying success benchmarks for the most innovative emerging managers of 2024** As market conditions make capital deployment more difficult, investors are keeping selective in their search for emerging managers who can diversify their strategy, deal size, and industry specialization.
