## Be part of an industry-leading event for investors and private equity professionals

Presented by the most trusted voices in private markets, NEXUS 2024 brings PEI Group's world-class editorial to life over three days in Orlando, Florida.

Build lasting relationships with your desired audience by connecting with the institutional investors, fund managers, and service providers who will help you meet your business goals. Sponsorship packages allow you to showcase your thought leadership and network with the most influential players in private markets.

*Private Equity International does a great job of highlighting the most important current issues affecting the global private equity industry, and their reporters and editorial staff have a unique ability to get the stories behind the stories.*

# Why secure a sponsorship package?

## Maximize your reach through planned meetings and networking

Receive early access to the attendee list so you can schedule important meetings at the event that will elevate your company as the go-to service or supplier for attendees.

## Position your organization as a thought leader within private equity

Take advantage of the unique opportunity to showcase your company's expertise and be heard by a global audience through exclusive speaking roles.

## Increase your brand visibility to investors and fund managers

Embed your brand within the industry by being at the forefront of marketing activities received by institutional investors and private equity professionals.
