Japan Korea Week 2024

## Unmissable sessions at the Seoul Forum

[View agenda](#) ↗

[privatedebtinvestor.com/japankoreaweek/](https://privatedebtinvestor.com/japankoreaweek/)

### Panel: Private debt vs alternatives - Where are allocators putting their money to work?

Discover the growth opportunities and how risk-return profiles are changing investor appetite from Korean insurance companies, mutual aid societies, and pension funds, so you can align your firm with informed investment decisions and optimise your investor strategies.

### Presentation: PDI's fundraising reports analysis

Join our *Private Debt Investor's* deep dive into regional fundraising activities and insights from global managers to plan ahead your firm's fundraising strategies.

### Panel: Real asset debt in the spotlight

Explore how macro trends fuel the demand for infrastructure and real estate debt, and gain insight into Korean investors' perspective towards distressed opportunities to manage changing needs resiliently.
