Keynote interview:

"As always, it's an interesting time to be investing in alternatives! I'm looking forward to being a part of this market leading event with over 500 attendees from across our markets. Join me in New York in May to hear the Cambridge Associates' perspective on current market factors."

Andrea Auerbach

Partner and Head of Global Private Investments

Cambridge Associates

Andrea's private investment career spans more than three decades, including over 20 years with Cambridge Associates. She leads a 50-person team sourcing and underwriting private equity, growth equity, distressed, and venture capital funds, as well as direct, co-investment, and secondary investment opportunities, helping deploy over \$10 billion a year. She also heads the firm's discretionary private investments practice. Andrea has co-authored a significant amount of in-depth private investment research and is also a faculty member at the Institutional Limited Partner Association (ILPA) Institute, where she has taught classes for over a decade.

Gain insights from private market leaders

Invitation only think-tanks

These sessions will allow women to speak freely about the issues impacting their office and asset class. It is a closed door, open conversation where attendees can benchmark ideas and share best practices to gain solutions for common concerns.

Testimonials

"Fantastic to see the success of the London event being replicated in New York."

Louise Chesworth

Threadmark

"I was delighted to join the event as a male ally. It gave me a high-quality overview of different investment strategies in the current market, access to a wide range of market participants, and candid perspective on both opportunities, and the most effective inclusion strategies for my company."

John Anderson

Manulife

"The conference had a great variety of educational content, thought provoking opportunities for discussions, well set up breaks to encourage networking and organic connection and a diverse line up of great professionals across various asset classes."

Kristina Kulikova

Setter Capital

"The Women in Private Markets Summit North America highlighted women managing and controlling private market capital and assets which most conferences do not. Great content and network!"
