## KEYNOTE FIRESIDE CHAT

# *Private Debt Investor* × Monetary Authority of Singapore

Join this open dialogue with Cheng Khai Lim, executive director at MAS and our senior editor, Andy Thomson to discover the **growth opportunities and the future road map of APAC private debt** so you can become more resilient in a volatile market.

### Cheng Khai Lim

Executive Director, Financial  
Markets Development  
Department  
**Monetary Authority of  
Singapore (MAS)**

### Andy Thomson

Senior Editor  
**Private Debt Investor**

## KEYNOTE INTERVIEW

# Private Credit: an all-weather strategy or a passing phase?

Hear from Frank Danieli at MA Financial Group to discuss how private credit has evolved to become crucial strategies for lending transitions outside the traditional banking system.

Understand where private credit is delivering equity-like returns, but with the capital protections and lower volatility that debt brings.

**Frank Danieli**

Managing Director,  
Head of Credit Investments  
and Lending  
**MA Financial Group**

# Unmissable sessions

## Opening panel: Will Asian private debt emerge stronger than ever?

Gain expert insights into building your firm's resilience and growth potential in Asian private debt amidst rising interest rates, legal improvements, opportunities, and risk adjusted returns across industry segments.

## Global and regional investor views on private debt managers

Discover how investors differentiate global and local fund managers, key considerations for choosing investment partners, and due diligence practices so you can align your firm's fundraising strategies.

## What is driving family offices to shift toward private markets?

Understand the views of APAC single and multi-family offices on private debt vs other alternatives buckets so you can build a future plan for your next investor.

# Unrivalled networking opportunities

## 3 months of fundraising over 5 hours of networking

Network with 100+ APAC investors during intimate lunches, networking cocktails, and more so you can accelerate your fundraising efforts and gain actionable insights.

## Market deep dives at our hosted roundtables

Explore emerging opportunities from hidden gems across the Asia-Pacific so you can prepare your firm for greater growth potential.

## New in: PDI Women Network roundtables

Reserve your place at our women only roundtables to discuss trends shaping female leaders in the private debt space so you can advance your strategy and your firm's performance.
