

Private Debt Investor Network

Introducing the Private Debt Investor Network. A year-round, exclusive community designed to elevate private debt professionals through continuous LP connections and insights.

Click here to join the Private Debt Investor Network or contact **luca.g@pei.group**

PEI

Unlock Opportunity, Insight, and Influence

Save on access to industry events

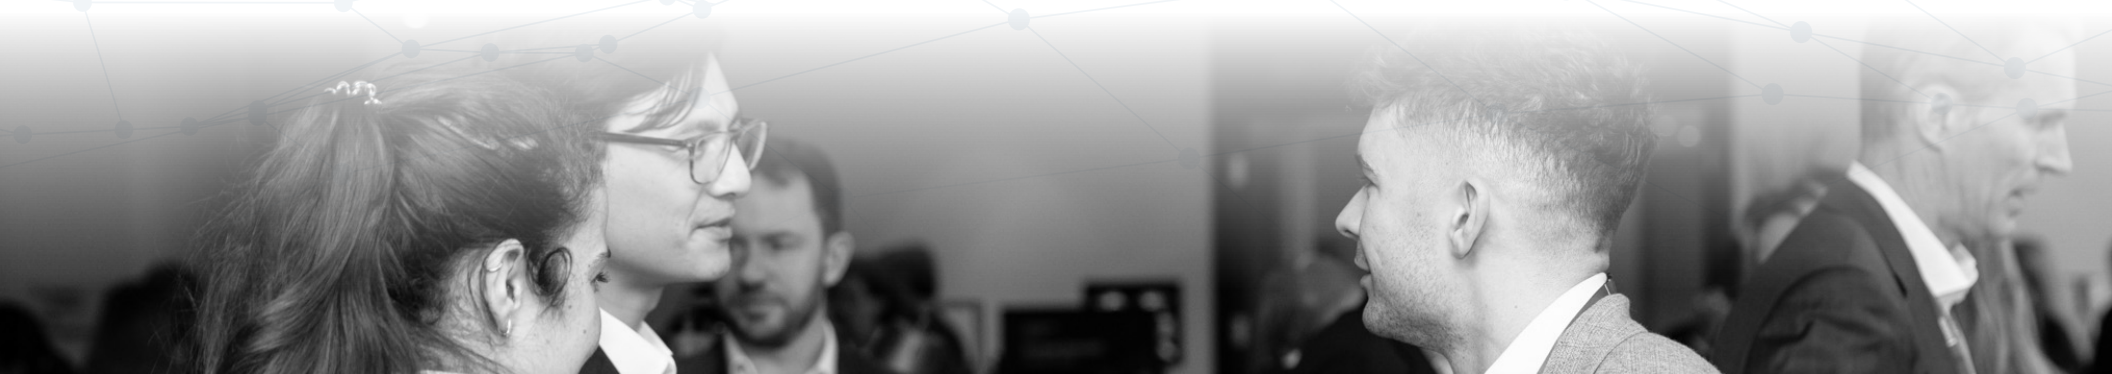

Share best practices on private debt strategy with active investors, fund managers, advisors and other industry professionals at our global events. Our forums throughout the year offer invaluable networking, interactive discussions, and actionable insights to empower your team and elevate your firm's success.

*PDI Network members save 20% off all PDI event ticket purchases.

Enhanced access to LPs

Keep fundraising all year long. With access to frequent Network meetings, you'll join a community that connects regularly with LPs to discuss global trends and build relationships. You'll have continuous opportunities to deepen relationships with LPs and peers, exchange insights, and stay ahead of industry trends.

Unlock Opportunity, Insight, and Influence

Personal support and connections to help you succeed

You won't be navigating this journey alone. Our dedicated Network Manager is here to support you, making personal investor introductions and connecting you with peers or advisors as needed. Plus, you'll have access to a Member Directory to help you forge meaningful relationships and connections.

Actionable industry insights

Stay ahead with expert analysis on key market and fundraising trends, and unique LP perspectives you can't get anywhere else. Our research cuts through the noise to arm you with the knowledge you need to make informed decisions and elevate your returns.

Your destination for success

**David Chen**
Senior Partner, Investor Relations
New York
KKR

[Send an Email](#) [Schedule an intro](#)

David Chen is a Senior Partner at KKR, specialising in private equity investments, strategic mergers and acquisitions, and market credit trends. With over two decades of experience, David has been instrumental in developing innovative investment strategies, closing landmark deals, and mentoring rising talent in the financial sector.

His work focuses on building sustainable growth models and fostering investor relations across global markets. Known for his thought leadership and collaborative approach, David regularly speaks at industry conferences to share insights on private equity trends and economic outlooks.
