1000 Investor breakfast briefing

PERE's proprietary data briefing on global real estate allocation trends in 2026

*Institutional investors only, off-the-record, pre-registration required. Venue: Residence 1

Attending investors will receive an exclusive intelligence report from PERE, featuring proprietary data and analysis on how the world's top investors are allocating in 2026.

Ethan Koh, Head of Global Research Operations, **PEI Group**

1000 Real estate fundraising and deployment strategy workshop

Raising capital in Asia: what overseas managers need to know

*Open to all. Venue: Residence 2

- How are institutional investors redefining their approach to global managers and what shifts are shaping capital commitments?
- Investors' expectations on fund terms, on-the-ground presence, and alignment
- What must global managers do to build relationships and long-term success across the region?

1100 Open mic: Off-the-record, no slides, no spin – just raw, possibly regrettable truth (Venue: Residence 5, 6)

90 seconds to share your story:

- I thought it was a sure thing
- The most awkward investor meeting ever
- The asset that haunts me
- The pettiest thing I've ever seen
- When due diligence went off the rails

Best story gets a prize i.e. Most relatable horror show.

1145 An audience with... Unscripted & off-the-record

No stage, no filter, open floor (Venue: Residence 1, 2, 5, 6)

Each session begins with an intimate keynote chat – unfiltered, unscripted, and designed to go beyond the usual talking points – followed by interactive Q&A and open-floor discussion.

Choose from four rooms, each focused on a key theme:

- Real estate capital flows in APAC – what is holding investments back?
Martin Siah, Managing Director, Singapore Country Head, **Bank of America**
- Fund facts vs. fund fiction: What's real in manager pitches—and what's just marketing spin?
- Emerging managers & first-time funds – breaking into the market and securing anchor capital
- Sustainability: how has it changed post covid?
Esther An, Chief Sustainability Officer, **City Developments Limited**

1245 Networking Lunch (Venue: Level 3)

1415 Opening keynote

1445 Masterclasses: Interactive deep dives (Venue: Residence 1, 2, 5, 6)

Participate in practitioner-led workshops that facilitate real-time exploration of opportunities and collaborative resolution of complex challenges.

4 Rooms / 4 Topics:

- Real estate debt – why should investors put more attention on allocating capital to credit opportunities?
- India – the emergence of a real estate giant
- Australia – investing strategies and returns Down Under
- Commercial real estate – what is the next big thing?
- Value creation & asset management – operational excellence and asset strategies

1600 Think tank sessions (Venue: Residence 1, 2, 5, 6)

Step into a series of themed networking sessions designed to connect you with peers who share your investment focus. This is your chance to meet like-minded investors and managers. Find your topic and start the conversation.

- How Korean investors are allocating capital to real estate
Kyung Paik, Founder and CEO, **Cayuga Partners**
- Bridging real estate and capital markets
Ronald Tan, Senior Vice President, Equity Capital Market, **Singapore Exchange**
