Tokyo Forum

Japan Korea Week 2023

Unmissable
sessions at the
Tokyo Forum

View agenda ➞

Opening panel: Why private credit is here to weather the storm

Hear from global fund managers **Asset Management One**, **Fidelity International**, **MGG Investment Group** and **Morgan Stanley Investment Management** on changes, defaults, and ESG considerations on credit investment strategies.

Panel: Niche strategies and emerging sectors

Learn how investors are looking at opportunistic strategies for higher returns, examining CLOs, NAV financing venture debts, and other specialties. Explore sectors such as royalties and litigation finance on how to improve your risk management and generate higher risk-adjusted returns.

Panel: Distressed debt and special situations - Is now a good time for investors to be a "white knight"?

Understand how macro-economic changes will shift investor allocations, discover the most promising sectors, explore the current state of special situations, and much more.

Save up to US\$500 before 21 April

Book now to meet the leading private debt community
